## **Acknowledgment**

First, I would like to give my highest praises to Allah.SWT, the Lord of the most gracious and the most merciful, who has given me chance, strength, *rezeki*, and health so that I could complete this *skripsi*.

I would like to give my second appreciation to my beloved family. I thank to my father Iswahyudi and my mother Suwarni who always support me financially and spiritually, loving me, praying for me, comforting me, and helping me through rough times. Finally, I have reached the final point of completing my *skripsi*. I would like to give my special thanks to my sister Danti and Azyla, for being a specialist in making the motivation for me and sharing almost everything.

My greatest appreciation and thanks go to my supervisor, Miss Sri Rejeki Mutiningsih.Ph.D. I delivered many thanks for her advice, support, motivation, guidance, knowledge, and everything that I cannot mention anymore. Also, my high appreciation goes to my examiners, Miss Maryam Sorohiti, S.S., M.HSc for their advice, guidance, knowledge, and many more that I cannot mention anymore. Moreover, I would like to give thanks to my participants who helped me by being my participants and spending time to be interviewed, until my *skripsi* is now completed. Without your help, I cannot make this done. May Allah is always blessing you. Thank you very much.

My biggest thank also goes to my best friend,Rafik,Aditya Ramadhan,Adi Pratama,Alifial Anshor, Futsal Dagastan and Futsal UMY as “*Teman Seperjuangan*”f Thank you for supporting me, helping me through my difficult times, sharing happiness together, and so much more. You have done so much for me.

Finally, I would like to say thank you to myself for finishing this *Skripsi*. It's proof that anything is possible if you have the will to achieve what you dream of. I am very proud of myself, even with tears but I can finish this on time. thank you for believing that no struggle is in vain. I realize that this *skripsi* is very far from the word "perfect", but the researcher hopes that this *Skripsi*

can be useful not only for the researcher but also for readers. For this reason, suggestions and constructive criticism are most welcome.
