Acknowledgement

Alhamdulillah. All praises to Allah SWT for his blessing, guidance and mercy because without Allah SWT, I would not be able to accomplish this undergraduate thesis. This undergraduate thesis is proudly dedicated to my beloved parents for their endless support, love and prayers in every single second of my life. Almarhummah my mom who cheer me up when I'm down and my dad who always reminds me to do sholat and dzikir. Likewise, to my partner Mas Alviyan Devriyanto includes my parents-in-law for always supporting and caring me in any condition. Likewise, to my friends includes Sa'adah and Kurnia, for always supporting and caring me in any condition.

I would like to express my gratitude to my awesome supervisor Evi Puspitasari, S.Pd., M.Hum. for always assisting, motivating and guiding me through each stage of the process. I must also grateful to the examiners for the great suggestion and thanks to the participants in this research. I would like to acknowledge all lecturers in English language Education Department who inspired and gave me valuable insight. Thanks to Indah, my best buddy since I was in first semester till now. Besides, big thanks to class B 2015, a loyalty class with wonderful memories and thanks to EDSA PBI for past-Two years incredible experiences.
