FOREWORD

Alhamdulillah Walhamdulillah tsumma Alhamdulillah, thank you Allah SWT, The Most Merciful and Most Gracious who has given me His blessing and an opportunity to accomplish my Undergraduate Thesis as my final work to fulfill the requirement to obtain the degree of Bachelor of Law at International Program for Law and Sharia, Fakultas Hukum, Universitas Muhammadiyah Yogyakarta.

First of all, I would like to express sincere grateful to my beloved parents Bapak Erianto and Ibu Nunung Lesmana and my brothers Permana Febrianto, Abdullah Erianto and Marzuki Erinto also my sister Cintra Griovoni and my nephew Ivander Juan Arkhana for their never-ending prayers, supports, guidances and loves. They have always stressed the importance of education and I know that this respect for education has, in some unconscious way, shaped my values and made me the person that I am today. I am grateful to them for being wonderful role models to me.

The first extraordinary person in Universitas Muhammadiyah Yogyakarta that deserves my gratitude is my supervisor Bapak Iwan Satriawan, S.H., MCL., Ph.D who has guided me with patience, wisdom, compassion and who has given me enormous freedom to wander intellectually, with only an occasional tug on my sleeve to bring me back to the topic. Bapak Iwan's unwavering support and intellectual guidance from the start to finish have been invaluable over the years and I feel incredibly privileged to have him as my supervisor.

Allow me also to express my deepest gratitude to Ibu Dr. Nanik Prasetyoningsih, S.H, M.H, Bapak Dr. King Faisal Sulaiman, S.H., LL.M, Bapak Nasrullah, S.H., S.Ag., MCL, and all the lecturers of Faculty of Law for their assistance and inspiration for my great future. Deepest appreciation also goes to all staffs Faculty of Law.

I would like to thanks to my best friends, Feby Wahyuni, Khaireny Aprilia, Ghina Salsabilla Aven and Rahmi Agnes Tania for encouraging me to pursue this project in the first place. They have been incredible friends to me over the years and their moral support has made all the difference. John Lennon said it best: "I get by with a little help from my friends."

The last person I want to thank is my Husband Febri Pratama Nanda, I find it difficult to express my appreciation because it is so boundless. He is my most enthusiastic cheerleader and he is an amazing husband. Without him this Undergraduate Thesis would have taken even longer to complete, without his love and support, I would be lost. He has shared this entire amazing journey with me, so it only seems right that I dedicate this thesis to him.

Finally, I do expect the thesis will give benefits for readers and future researches.

A handwritten signature in black ink, appearing to be 'Hanifa Erianto', with a stylized flourish at the end.
