Bismillahirrahmanirrahim. First things first, I would like to convey my gratitude to Allah SWT for giving me the strength to complete my undergraduate thesis for my bachelor's degree. Then, I sincerely dedicate my undergraduate thesis to my beloved parents, my father Suryono and my mother Sulistiyo Pratiwi for constantly supporting me through prays, finances, and mental support, as well as my two big brothers Prabowo and Henri for always cheering me on every situation, and who always protects me.

My sincerely grateful to my greatest supervisor, Maryam Sorohiti, S.S., M. HSc., for your guidance, advice, and help until I finished my thesis. Because of your suggestions and patience, I was able to finish this thesis on time.

My gratitude to the best people on this journey. Big thanks to Amjad Ali for his presence and support through every up and down of this journey. To my lovely girls, Wafiq, Fathia, Anges, Wiranda, Sheline, and Safira who made my days colorful in English Education college. I am grateful for you and cherish all the memories we create. Thank you for always cheering me up in every situation.

Last but not least, my sincere appreciation to myself, who has gotten through all obstacles and risen up until I can survive and stand in this moment. You're doing well. Thank you for all the hard work, Iksora.
