Bismillahirrahmanirrahim, first, I would like to thank Allah SWT for my highest gratitude, who has always given me health, blessings, and the opportunity to complete my thesis successfully. Second, don't forget the shalawat to the prophet Muhammad SAW, who can always inspire me. I dedicate my inspiration to my life, and I would like to express gratitude in my Skripsi to:

1. My beloved family, Kaharuddin and Zanunu, are my super parents. Mr Rozikan, S.E.I M.S.I is my second parent in Jogja who always supports morals and morals so that I can finish. The last My brothers Kurnia and Hajar always supports and motivates me firsthand, helps me when I am down, and is patient at every step of my struggle.
2. The Excellent supervisor to support me, Miss Eko Purwanti, Spd, M. Hum, Ph.D. She is my best supervisor, but she still needs to improve her writing skills. She is always helping, motivating, and guiding me to achieve my goals with satisfying results.
3. The UMY Lazismu extended family provided a place to work on my skripsi, provided scholarships and provided moral and moril support so that I could complete my skripsi.
4. The most fantastic appreciation also goes to Miss Fitria Rahmawati Spd, Mhum, and Miss Sri Sudarsi, S.S., M.In.T, as the tremendous examiners who gave me great advice and contribution in improving the result of My Skripsi.
5. All lecturers in the English Language Education Department of Yogyakarta Muhammadiyah University took the time to be interviewed to support my research in my research interviews.
6. All participants, especially the Kuy BEJO, Ulil, Titin, Dea, Halhy, Ata, Amal, and Noval groups, always supported me from technical to essential things to complete the thesis.

7. Residents of Kos Samudra, Ijun, Rizal, Zam-Zam, Ihsan, Wisnu, Din, Risal, and Adib, who always support morals and morals so that they can remain strong in writing their Skripsi now.

Hopefully, with all their help, advice, contribution, and motivation that has been given, it will be repaid by Allah SWT. The researcher realizes that there are still many lacks in the writing and making of this skripsi. Along with this skripsi, the researcher hopes there can be suggestions and critiques to make this skripsi better. The researcher also hopes this skripsi can provide new knowledge and be useful for readers.
