Assalamualaikum Wr.Wb,

Alhamdulillah rabil 'alamin, I would like expresses highest gratitude to Allah subhanahu wa ta'ala for blessing, love, opportunity, health, and mercy to complete this undergraduate Thesis. This undergraduate Thesis entitled "Instructional Media for Teaching Speaking to Private Senior High School Students" is submitted as the final requirement in accomplishing undergraduate degree of English Education Department at Universitas Muhammadiyah Yogyakarta.

In arranging this Thesis, a lot of people have provided motivation, advice, and support. In this valuable chance, I would like intended to express gratitude and appreciation to all of them. First, the deepest appreciation goes to my beloved family especially my parents, for the endless love, pray, support, and always remind me to keep going and never giving up.

My greatest appreciation and thanks goes to my supervisor, Miss Evi Puspitasari, S.Pd., M.Hum. for her help, supervision, advice, and guidance from the very early stage of this research as well as giving me suggestion, guidance, and correction until the completion of this Thesis. Also, my high appreciation goes to Sir Puthut Ardianto, S.Pd., M.Pd. and Miss Eko Purwanti, S.Pd., M. Hum., Ph.D. as my examiners for they kindness and support with brilliant suggestions. I also thank to all my lecturers in English Education Program for all your time to share your knowledge.

I gratefully thank the principals of SMA Muhammadiyah 7, SMA Muhammadiyah 6, and SMA Muhammadiyah 5 Yogyakarta for allowing me to conduct the research there. Also, to the English teachers in that school, for allowing me to conduct my research with them. I could never have finished this without your great guidance.

I am very grateful to have some close friends from Thailand and also Indonesia friends who always support me. They are always a good listener for every problem I faced, especially when I had to revise this thesis and re-start over and over again. Their opinions never stop surprise me and also allow me to see my problem from a different angle.

Finally, I would like to thank everybody who was important to the successful realization of this undergraduate thesis. This undergraduate thesis is far from perfect, but it is expected that it will be useful not only for the researcher, but also for the readers. For this reason, constructive thoughtfully suggestion and critics are welcomed.
