MOTTO

"Be more grateful, complain less. Open your eyes, open your ears, expand your heart. Realize you are now, not yesterday or tomorrow, enjoy every moment in life, have an adventure."

(Ayu Estiningtyas)

"Goodness is found in five things: contentment, refraining from harm, seeking lawful things, piety, and faith in Allah."

(Imam Syafi'i)

"Allah does not burden a person except according to his ability."

(Q.S. Al-Baqarah: 286)

ACKNOWLEDGEMENT

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Praise and gratitude endlessly the author thanks to Allah SWT who has bestowed His Grace and Gifts because it is with His permission that researchers can complete the thesis with the title "**DETERMINANTS ANALYSIS OF ECONOMIC GROWTH IN PAPUA PROVINCE**". The preparation of this thesis is intended to fulfil one of the requirements to obtain a Bachelor of Economics degree in the Accounting Study Program, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.

The author of this thesis has come to the realization that it is far from flawless and still has many flaws. This is because the author has constraints in terms of his or her skills, knowledge, and experience. Therefore, in order to improve the preparation of future works, the author requests constructive feedback and ideas.

The process of writing this thesis experienced many obstacles, but thanks to the help, guidance, cooperation from various parties both morally and materially, especially to Prof. Dr. Lilies Setiartiti, S.E., M.Si. and Dr. Dimas Bagus Wiranatakusuma as a Supervisor, who patiently, and sincerely took the time, energy and thought and provided guidance, motivation, direction, and valuable suggestions to the author during the preparation of this thesis.

On this occasion the author would like to express his deepest gratitude to all those who have helped the author in completing this thesis, including to:

1. Prof. Dr. Ir. Gunawan Budiayanto, M.P., IPM., as Rector of Universitas Muhammadiyah Yogyakarta.
2. Prof. Rizal Yaya, S.E., M.Sc., Ph.d., Ak., CA., CRP., as Dean of the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.
3. Prof. Dr. Endah Saptutyningsih, S.E., M.Si., as Head of Economics Study Program, Universitas Muhammadiyah Yogyakarta.
4. Prof. Dr. Lilies Setiarti, S.E., M.Si. and Dr. Dimas Bagus Wiranatakusuma, S.E., M.Ec. as the supervisor who has provided guidance to the author and thank you for the help that has been given during the study period
5. Both parents, Mr Mujiono and Mrs Siti Khoiriah, who constantly provide prayers and support as well as sincere affection so that the author can complete this thesis.
6. My sister Nina Tri Ayuningsih who has accompanied the author in making this thesis.
7. My brother (Ikbal) and sister-in-law (Hajidah) who have encouraged the author in making this thesis.
8. All lecturers of Universitas Muhammadiyah Yogyakarta, especially the Faculty of Economics and Business, Economics Study Program, who have provided invaluable knowledge, input, thoughts and energy during the learning process which can add insight to the author.

9. IPIEF classmates Class of 2019 The author would like to thank you for your support.
10. Best friends Kia, Murini, Vira, Tania who never get bored to always be together and always provide encouragement and assistance in preparing this thesis.
11. Thank you also Krisna Adefa Tristanta who is always together and always provides support and assistance in compiling this thesis.
12. Papuan friends at the University of Muhammadiyah Yogyakarta.
13. All parties who have helped the author who cannot be mentioned one by one, thank you for your prayers and support which are very valuable to the author.

May Allah SWT give multiple rewards to all those who have helped in writing this thesis. The author hopes that this thesis can provide benefits, especially for the author and generally for the readers.
