MOTTO

وُسْعَهَا إِلَّا نَفْسًا اللَّهُ يُكَلِّفُ لَا

(Qs ; Al-Baqarah:286)

DEDICATION

Thanks to Allah SWT who has bestowed His grace, and guidance, that has been given to the author along with the author's family and those closest to the author, so the author can complete this thesis to get a Bachelor of Economics degree. With humility, the author presents this thesis for:

1. The beloved family, my Father, my Mother and my Sister, my Brother also my Husband and my Son. The author would like to thank as much as possible for all of the prayers, support, and motivation so all of this can be achieved.
2. The closest friends of the author who always provide endless support to the author until now.
3. All parties who have provided support, assistance, and convenience in the process of completing this undergraduate thesis.

PREFACE

All praise is due to Allah SWT who has poured out His grace and provided convenience so the author can complete the undergraduate thesis with title “**the influence of distributive justice, procedural justice and interactional justice on affective commitment of BPJS Kesehatan Kudus employees**”

This undergraduate thesis is structured to fulfill one of the requirements in obtaining a Bachelor's degree in Management Department, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta. The author takes this topic because the author hopes of being able to provide references and contributions for the in decision making that related to increase employee engagement.

The completion of this undergraduate thesis is inseparable from the support and guidance of various parties, therefore in this opportunity the author would like to thank as much as possible to:

1. Mr. Rizal Yaya, S.E., M.Sc., Ph.D., Ak., CA., as Dean of the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta, who has provided guidance to students of the Faculty of Economics and Business.
2. Mrs. Rr. Sri Handari W, Dr., SE., M.Si as the Head of the Management Department of Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta, that has provided guidance to Management students.
3. Prof. Dr. Heru Kurnianto Tjahjono, MM., as a supervisor who has patiently give guidance during the completion of this undergraduate thesis.

4. All lecturers and employees of the Management Department, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta, who provided guidance during the arrangement of this undergraduate thesis.
5. All parties who have provided support and assistance in the process of completing this undergraduate thesis.

The author realizes that there are still many weaknesses in this undergraduate thesis. Therefore, criticism, suggestions, and further research development are needed for the continuation of papers on this topic.
