## EXTENDED GRATITUDE

Within this page, I would like to extend my deepest gratitude for both spiritual and moral support from precious people during my college years at Universitas Muhammadiyah Yogyakarta, especially a long this process of writing my undergraduate thesis. Words might be not enough for extending my sincere gratitude, but only through this page I dedicated this undergraduate thesis to those whom I want to thank wholeheartedly and personally:

1. My family, Mom (Hanikmah) and Dad (Agus Susanto) who always give me support such as their best prayers, love, and affections, as well as moral and material support. For my beloved little sister, Jiyeon Selsa Shabrina or Teta, who always accompanies me when I was doing my thesis at home. My undergraduate thesis is absolutely dedicated for those three-precious people in my whole life.
2. My big family who always give me moral support, yet I cannot mention their name one by one. Their presence and actual supports are really meaningful for me in pursuing my undergraduate degree.
3. Shikkeuro (Ejak Tengil), my eternally enemy. The one who always wants to see me in impassioned condition when finishing my thesis and doing every single thing.
4. Those guidance fellas of Mr. Sugito who never stop giving knowledges and spirit to each other. Good luck, guys!
5. My IPIREL batch 2017 fellas who gave many colors in my college life. Nice to know all of you. See you on top, guys!
6. The girls of *Kos* Anisha Puri and *Kos* Affifa, especially girls within Pecinta Kol Goreng's group to be part of my life in Yogyakarta and be my boarding housemate for many years.
7. FISMO Club UMY, as my two years organization. Thank you, good people, for teaching and giving me many meaningful things. Especially for the Division of Social Society, they are the truly definition of family.
8. Bawaslu KM UMY 2019. I met people with unique characteristic here. Thank you for having me as your part. Keep playing UNO till the end, guys!

9. Tawau International Community Service 2020 team. Remember that we were struggling together for about three months. Starting from the preparation, life surviving in each school, until we came back to Indonesia safely. Our efforts and memories were really great. I believe in the future our students are going to reach their own dreams and be a successful person. For addition, I always pray for us that one day we might be reunited with them in the superfine condition. As well as all my students at CLC FGV Sahabat Kembara Sakti and all of good people in Sabah, Malaysia who were really kind-hearted and always gave their hands for us when we were doing our projects of International Community Service over there.
10. All of my fellas in Universitas Muhammadiyah Yogyakarta that I cannot mention them one by one.
11. My beloved best friends since we were elementary school, Onta Gurun. For Salma K. Hasna, Ananda Haniyuhana, and Nafiatul Anamiyah keep being yourself, keep running for your dreamed future and keep loving me as the youngest member in this squad. Love you guys!
12. Cacingz; Aisha Farrachan Widodo, Endah Puspitotanti, Ditia Anindita Puspitasari, Lisa Chilly Sugesti, Ida Lailatun Ni'mah, and Aqila Fitra'Aisy. Those six weird and genius girls are my marvelous squad since senior high school, whom I almost spent all my SHS time with and who gave me miraculous things. Love you girls!
13. Last but not least is myself. Without my desire, spirit and ambition, this thesis would not be able to be finished well. Although, my time was divided into doing part-time job and finishing this thesis. Congratulations, dear! You are cool in managing your time. I am extremely proud of you.
