ACKNOWLEDGEMENT

Assalamualaikum Warrahmatullahi Wabarakatuh

In the name of Allah, the Most Gracious, the Most Merciful. May the peace be upon Prophet Muhammad, the Messenger of Kindness. Only by the blessing of Allah Sub'hanahu Wa ta'ala, thus the author was able to finish this undergraduate thesis titled, *Cooperation between The South Korea's and Solomon Islands on Tina River Hydropower Development Project*.

This thesis is intended to fulfill the requirements in order to obtain Bachelor of Political Science degree at the International Program of International Relations, Faculty of Social and Political Science, Muhammadiyah University of Yogyakarta as the amalgamation of the author's learning experiences throughout the years of studying in the university. The author realizes that in this writing there are still many shortcomings and is far from perfect. However, the authors hope that this thesis can contribute to the development of International Relations science.

Author would like to thank several parties, of whom the author has received tremendous help and guidance throughout the process of writing this thesis. The sincerest thanks to:

1. Allah Sub'hanahu Wa ta'ala.
2. Ibu Dian Azmawati, S.IP., M. A, as advising lecturer who have given time and guidance throughout the writing process of this thesis.
3. Bapak Dr. Sugeng Riyanto, S.IP., M.Si and Bapak Dr. Surwando, S.Sos., M.Si, as examining lecturers.
4. The teaching staffs of IPIREL UMY, lecturers and teachers who have given knowledge and advice to the students of IPIREL 2017. The tutors, for the helpful answers regarding theoretical frameworks and other materials.

5. Author's parents, Mami, Papi, who have endlessly supported and prayed for the author throughout the entire writing process. The head of boarding house, Mr. Budi that always support and whose spirits will always be a reminder of strength and resilience.
6. The siblings, those always give strength and different insight that can grow the source of confidence and continued the thesis gradually; Sarah, Dizka, and Kenny.
7. Friends, especially Erika, Feby and Raissa who have helped in many different ways. Thank you for the emotional support, the kindness and your sincere words.
8. Others people that found in different occasion that change my perspectives to the problem that human face it in life.
9. Any film, dramas, web toons, anime adaptation and other pieces of media consumed to relieve stress and pressure.

Finally, may this thesis be useful and informative for all of us.

Wassalamualaikum warahmatullahi wabarakatuh
