STATEMENT

With this I,

Name : Mu'fidah Tahara Fajri

Student Number : 20190420264

Stating that this thesis with the title: "**The Effect of Tax Authority Power and Trust in Public Authorities on Tax Compliance with Awareness as a Moderating Variable (A Case Study on Micro, Small and Medium Enterprises Tax Payers in Cilacap Regency)**" no work has ever been submitted for obtaining bachelor degree in a tertiary institution, and to the best of my knowledge there are also no works or opinions that have been written or published by other people, except those that are referred to in writing in this manuscript and mentioned in the bibliography. If written or published by someone else, the work is cancelled.

PRESENT

Alhamdulillah, all praise and thanks be to Allah SWT who has given His health, mercy and grace, so that the writer is still given the opportunity and smoothness in carrying out lectures until the completion of this thesis, as one of the conditions for obtaining a bachelor's degree. Even though it is far from perfect, the writer is proud to have been able to finish this thesis well.

I dedicate this thesis to :

1. Papa and Mama, Mr. Yuli Ardi and Mrs. Hindun, who have worked hard so that they can provide the best education for their daughter, who constantly pray at all times for her daughter's success, and always provide encouragement and support for her daughter so she can finish this thesis soon. Hopefully later your daughter's success can be a consolation for all the tiredness and painstaking effort in fighting for the future of your beloved daughter.
2. My brother, Raafi Megumi Ardi Maulana, thank you for always encouraging and entertaining your sister when she is dizzy about completing his thesis and studies.
3. Bunda, Mrs. Rachmawati, who have always given encouragement, prayer, and support to finish the thesis and study. Thank you for always listening to complaints every day. Hopefully this can be a small gift for bunda.
4. To Drs. Afrizal Tahar, S.H., S.E., M.Acc., Ak, CA as the thesis supervisor. Thank you very much for the guidance, assistance and directions that have been given to me so that my thesis can be completed properly.
5. To my beloved alma mater, Universitas Muhammadiyah Yogyakarta as a place that has provided a lot of useful knowledge, experience and knowledge.
6. To Cilacap regency MSME entrepreneurs, thank you for providing assistance and for being willing to become objects of research so that it is hoped that they can provide benefits later to encourage tax compliance.
7. To KPP Pratama Cilacap and the Directorate General of Taxes Regional Office 2 Central Java, thank you for providing assistance in the form of being a liaison to

the respondents. Hopefully this research can provide benefits to make the Directorate General of Taxes better in the future.

8. To my dearest friend, Rizki Sakhina W. Thank you for always accompanying me from elementary school until now. Thank you for your prayers, support, kindness, encouragement and input
9. To my beloved friend, Emmy Rachmasari, S.H., thank you for always accompanying me in every process and journey, for always providing prayer, encouragement, support and advice.
10. To my dear friends, Dea Amanda Pratiwi, S.Ak., Khadiva Salwa, and Annisa Sari, thank you for always helping and accompanying me when working on this thesis.
11. For my IPAcc friends, Icha, Hapsari, Tiara, Abel, Widya, Rini, Salma, Irvi, Jeje, Kekey, Adin, Evelyne, Laily, Aqshal, Rafqy, and Daffa who have supported each other from new students to the end of lectures.

ACKNOWLEDGEMENT

Praise and gratitude for the presence of Allah SWT who always bestows grace, mercy and ease in writing this thesis, entitled "The Effect of Tax Authority Power and Trust in Public Authorities on Tax Compliance with Awareness As A Moderating Variable (A Case Study on Micro, Small, and Medium Enterprise Tax Payers in Cilacap Regency)". Writing this thesis is structured to complete the requirements to obtain a Bachelor's degree in Accounting at the Faculty of Economics and Business, University of Muhammadiyah Yogyakarta. The author takes this topic with the hope that it can be used as reference material for further researchers as well as material for policy considerations by the Directorate General of Taxes to increase tax compliance for MSME business actors.

Completion of this thesis is inseparable from the guidance and support of many people, therefore, on this occasion the author would like to thank:

1. Prof. Rizal Yaya, S.E., M.Sc., Ph.D., CA., Akt. as Dean of the Faculty of Economics and Business, Yogyakarta Muhammadiyah University.
2. Dr. Dyah Ekaari Sekar J, S.E., M.Sc., QIA., Ak., CA, as the Head of the Yogyakarta Muhammadiyah University Accounting Study Program.
3. Drs. Afrizal Tahar, S.H., S.E., M.Acc., Ak, CA as the supervising lecturer who always provides knowledge, guidance, and motivation, so that the writer can finish writing this thesis.
4. All parties from the Directorate General of Taxes Regional Office II Central Java and also KPP Pratama Cilacap who have provided support and assistance in distributing this research questionnaire.

Finally, may Allah SWT bless and reward us all for the process of making this thesis. The writer realizes that this thesis is still far from being perfect and there are still many errors in it. So, for the sake of further improvement, the author really

appreciates any constructive criticism and suggestions and will be gladly accepted.
Hopefully this article can be a useful reference for all parties who need it.
