Acknowledgment

All praises belong to Allah SWT. Who has given His blessing and all the good things in my life so that I am capable of completing the research effectively. Thank you so much to my parents, Yuyun Maryunah and Idrus, who always support me with love and help me through prayers, funds, and mental support. Thank you to my only brother Zulkarnaen who always inspired me to follow my dreams and positive desires and my only sister Artiningsih who always support, motivate and evaluate me to be an independent woman and mother. For myself, who never gives up, thank you because you always try and forgive yourself.

Many thanks to my lovely husband, Muhammad Taufiq Ramadhan, who always patiently listen to every complaint and give a huge love and support in every step of the way to make dreams come true. Thank you to my baby, Prajnaverra Malahayati, who consistently provides the chance for personal growth as a mother and encourages the acceptance of imperfections.

My sincerely grateful to my greatest supervisor, Ms. Jackie (Sri Rezeki Murtiningsih Ph.D.) for the guidance, advice, and support until I finished my research. Thank you for your patience, wisdom, and existent in every process of my research. Thank you for being my superhero!

My deepest thanks to all my college friends, Putri, Azmi, Dyah, Wiranda, Anges, and Sheline, who always support and help my mental health until I finished my research. Thank you to all teachers and all of 9th grade students of SMP PGRI Gunung Picung who agreed to be my respondents in completing this research. Finally, I express my gratitude to all involved parties for their kindness, which helped greatly the successful completion of the research endeavor, whose names I am unable to mention individually.
