Faculty : Faculty of Language Education

Certify that this *skripsi* with the title “The Effectiveness of Using English Songs on Young Learners to Improve Vocabulary Knowledge” is certainly my own work, and it does not consist of other people work. I am completely responsible for the content of this research. Others’ opinions of findings included in this research are quoted in accordance with ethical standards.

Yogyakarta, January 12, 2024

A yellow 10,000 Rupiah Indonesian banknote is shown with a signature written over it. The signature is in black ink and appears to be 'Ai Widea Wilandini'. The banknote features the Garuda Pancasila emblem and the text 'METERAN TEMPEL' and '10000'. The serial number '7E580AKX77-987343' is visible at the bottom left of the note.

Acknowledgment

By the name of Allah Almighty, the lord of the world, who has been giving the writer his guidance, mercy, blessing and health to complete this *skripsi*. Then thank you to prophet Muhammad SAW., who always taught me to be a strong and patience person. This *skripsi* is entitled "The Effectiveness of Using English Songs on Young Learners to Improve Vocabulary Knowledge" and was submitted as a final assignment requirement for achieving a bachelor's degree in English Department of Education, Faculty of Language Education, Universitas Muhammadiyah Yogyakarta.

Proudly, I dedicate this *skripsi* to my beloved family. Mr. Ero Wahro and Mrs. Emeh Susilowati, as my parents. I would like to declare my infinity thank you to my mom and dad, thank you for the never-ending prayers for your daughter. Thank you for the love, advice and all the support they always give to their daughter so that the research can be completed well. Once again thank you for being kind and patient with me in every single moment. Also, to my older brothers Ahmad Lutfi and older sister Enung Nur Silfia who always support me in pursuing my education. This research can be completed with full responsibility with the support of my family who always provide support and positive affirmation to me.

I also convey my deepest appreciation to Mrs. Sri Rejeki Murtiningsih, Ph.D., as my undergraduate thesis supervisor. As well as Dr. Suryanto and Mrs. Mariska Intan Sari, M.A., as my thesis examiner. This article was completed with patience, guidance, kindness, and intellectual support in my undergraduate thesis.

Moreover, I would like to thank all the English lecturers in the Department of Education for the experience and knowledge they have given me. I also want to thank all the participants in this research, administrative staff and lecturers who took the time to collect data. This research was only possible with their help.

My sincere thanks are also presented to my friends and those closest to me. Thanks to my beloved friends Asrama Putri Kasihan (Aatikah Dyah Utami, Faizah Nurhasanah, Julia Hasna Rahmawati, Shafa Zahra Afrianza, Yusfreena Mahera Aulia) for being my friends and for the unforgettable memories that we have shared during these collage days. Especially Suriati, thanks for every beautiful moment that we have created together, thank you for always being the best supporter for me, a friend to confide in and complain about so that this research can be completed. Also, thanks to Anak Bunda (Ilma, Lusiana, Lutfiah, Putri, Waliyatul, and Yuni) for being part of my life and be my new family. Big thanks to Ismi Nurul Aslamiah, Moch. Dafa Althof, and Barudak Garpu thank you for being my friend, at any moment. Then, thanks to all my friends in KKN 014 you are the best friends that I have ever met.

Lastly, I would like to thank myself for always thinking positively in carrying out this research, thank you for being responsible in completing what has been started. I realize that this research is still far from perfect, but at least I have taken one big step to complete this research.
