EXTENDED GRATITUDE

This page decides to all notable persons who have been contributed to support me in writing this thesis. All these persons below are mean to me, and I would like to express my love through this page:

1. My Mother Iryanti Hastuti, S. Tr. Keb, thank you for all the love and effort you give until this stage. Thank you for being a solid figure and an example for you, supporting your every dream and achievement. Hopefully, after this, you will be able to realize all of your dreams.
2. My Father Dedi Koryani, thank you for fighting for me, hearing all my stories and complaints, being patient in facing and guiding me. Even though we are not in the same house, I feel your prayers and warmth always accompany me every step.
3. Tete Nia, Tete Ajeng, Uncle Yani, Indri, Kak Lidya, R, and the family who have become encouragement and reasons always ask Allah for the beginning of a good story and happiness, thank you for your love and spirit, I hope we will always be happy and convenience.
4. Thanks to my closest friend Fauzi Ahnaf Pratama, thank you mas for all the good things you give to me, for your time, the great life lessons, and opportunities to understand how life works, for accompanying me in every situation, hopefully in the future whatever is destined for us, is the best one from Allah SWT.
5. Thank you for the many supports and opportunities for dear friends who met while in Jogja, Alyssa Aurelia Primayulita, Dinda Permata Praya, and Bingar Mahasa, for a better process. Thank you for accepting my many shortcomings as friends. Hopefully, wherever we are, we will always be united by prayer.

6. For Nada Aqilatul Husna, Febriyanti Novita Suratman, Sherin Pramesti RC, thank you for witnessing me growing up to this day, thank you for lots of love and life lessons. Hopefully, we can always live side by side.
7. Hadikusomo Family (Alyssa, Rukhmi, Saskia, Velya, Devia, Naya, Riska, Luna), thank you very much for our almost four years of warmth and dreams that were built together and helping each other to survive in University. Thank you to Villa Terracotta, Dirty Chicks, Padang Devia, Qta-qta, for being a historical place from the days of returning from college, wherever you are. Hopefully, we can always meet next time and be brought closer by prayer.
8. Thank you, dearest Daun Dihati Friends, for being great friends for me to tell stories, dream, and be a good friend to this day. Your warmth and kindness have always been the impetus for continuing to give the best for the future, hopefully after we all choose our respective paths. It will be an excellent big step and the most beautiful memory to be perpetuated together continually.
9. FISMO friends, thank you very much for allowing me to process and give lessons about social life, for being a platform for me to develop and understand many things in this organization, and to meet many friends with many different backgrounds.
10. To all my Ipirelians 2017, this was a fantastic opportunity to be a part of IPIREL 2017. Thank you for the roller coaster life that made me stronger, for the many opportunities that I had never had before, and many other things I might not have. I want to repeat, besides the good things that are happy at IPIREL.
11. Last but not least, Mauditya Dian Ramadhani, thank you for being great until this day, even though with many trials that you have to go through yourself, with a lot of effort, you have gone far at this stage boldly.

Today you are the best figure of the previous version of yourself. Hopefully, your dreams and good wishes will be easily present after this trip. May you be a successful woman, happy in the world and the hereafter. May Allah give you the best mate that you pray for. I hope what is tired of this is a blessing for you and your family, and given the strength and convenience to achieve future success, always make Allah your helper and bless your reasonable efforts. May your dreams come true, Aamiin.
