MOTTO

By the morning brightness. And the night when it covers with darkness. Your Lord has not taken leave of you, nor has He detested. And the Hereafter is better for you than the first.

And your Lord is going to give you, and you will be satisfied. Did He not find you an orphan and give refuge? And He found you lost and guided. And He found you poor and made self-sufficient. So as for the orphan, do not oppress. And as for the petitioner, do not repel. But as for the favor of your Lord, report.
