First of all, I would like to express my gratitude to Allah SWT, Who always gave me the strength and blessings to finish this *skripsi*. I would not be able to finish my study without His guidance and His blessings. I would also like to express my gratitude to Prophet Muhammad (PBUH) who always motivates me to be a better person.

I also would like to give my biggest thank you to my supervisor, Miss Sri Rejeki Murtiningsih, S.Pd., M.Ed., Ph.D., who have guide me from the start of this skripsi until I managed to finished it. I am also very thankful to all of the lecturers in PBI UMY. I had an incredible time studying for the past 3,5 years. Even though I spent 17 months of online learning due to COVID-19, I enjoyed my time as a student and all of that is because the lecturers.

With all the love, I would like to thank my parents. I may have tough exterior and we never exchange sweet words. I love you to the Moon and to Saturn, mom and dad. Thank you for all the sacrifices you made to since I was little until now. Thank you for not judging me whenever I felt so low, or when I experienced mental breakdown while I was doing my study. I would also like to thank my brother who has been there for me since day one.

Lastly, here's a toast to my real friends, Nabila Syaharani, who has been accompanying me to finish my thesis in the library. We have been working hard since mid-September and I'm so grateful that I got to share my ups and downs with you. Thank you to Pute who has helped me since we were assigned together

in EDSA, to Nanda who has been there at my lowest, to Sabil who always gave me the best advices, and to Neng who always filled the room with laughter.

Because of you all, my university life was colorful and filled with joy. I had the best days with all of you.
