EXTENDED GRATITUDE

This undergraduate thesis is only possible with the incredible both spiritual and moral support from those who I treasured from the beginning of the process and during the completion of pursuing my bachelor degree. I understand that words is never be enough to express how lucky and thankful I am for having the by my side. Hereby I dedicated this page to extend my most sincereness, purest, and most intimate gratitude, I personally thank:

1. The most special thanks is to my amazing, loving and supportive parents Hj. Jumadi Kamarsyah, S. Sos., M.M and Hjh. Agata Ari Kusniati I would like to say thank you for the unconditional love and never-ending support whether it tangible and intangible to me. The sacrifice that they made just to make sure their first daughter only gets the best in life even if they have to defies all odds to ensure that, I, personally, will remember and carried that to the deepest of my heart from now to the eternity. I must admit words are not enough and perhaps will never be enough to express how lucky and grateful I am for having them to love and adore me as their daughter. They show me that patience, integrity, good character, high self-esteem, and not afraid to take risks in life, are the key to excel and live a fulfil live. Once again I'll say it one more time, Mama.. Papa.. Thank you for everything that you've given me and loving me the way I am.
2. To my little sister Erlarita Meisya Riskitiasyah thank you for always on my side, supporting all my dreams, and understanding me inside and out. She was born when I was only five years of age. We practically grew up together. I must say not all people are lucky enough to grew up together 24/7 with their best friend. In a darkest time of my existence she was always there to listened and comforted me. She truly is a gift in my life and a constant cheerleader. Thank you for everything buddy, thank you for make my childhood and adulthood less lonely, I am purposely looking forward to grow old together with you and I believe future only have the best opportunity for you.
3. I would also say thank you from the bottom of my heart and from every inches of my existence to my dearest and nearest to the heart of friends that I treasured very much; namely Muhammad Ammar Hidayatulloh, S.IP., Nur Indah Setia Rini, S.IP., and Shabrina Ria Septiana Rose, S.IP for always supporting me, for always lending their ears when I needed to be heard, and of course thank you for always accepting me as I

am with my flaws and all. Thank you for showing me that good people are still exist in this cruel, unfair, judgemental, chaotic world. You guys literally mean the world to me.

4. Wholeheartedly I want to say thank you to my IPIRELS friends who cheer me up during my study; namely Novia Larasati, S.IP, Rahma Fitri, S.IP, Taufik Kurrahman, S.IP, Dwi Rahma Fitri, S.IP and others.
5. With every ounce of love that I will always give to them I want to say thank you to my High School friends Aria Nugraha, S.H., Rian Fahry Zulfikri, A.Md.T., Muhammad Farid, S.Pd., Andang Pamilu Mahenggar., Devara Dhea Adinda Putri, S.Ked., Hanisa Juliawati, S.KG., M. Aqsya Raynaldi, A.Md.Kom and others. Honestly, couldn't ask for a better friend like them because of their compassion, patience, and supports, they help me to become the woman that I am today.
6. I would also like to say thank you to those who came all the way both to my undergraduate thesis proposal and defense examination. I will remember all the supports, love, advice, and your suggestions as one of the most treasured memories of my college life.
