Acknowledgement

Firstly, the researcher says Alhamdulillahirabbilalamin, thanks to the presence of Allah SWT for grace and guidance in life so that the researcher can complete this thesis as expected.

The researcher would like to thank the thesis supervisor, Mrs. Sri Rejeki Murtiningsih, P.hD. for her guidance, support and positive suggestions in completing this thesis. Thank you for the knowledge in the guidance process, support as well as the opportunity and time given to help the researcher complete this thesis.

Then, the researcher would like to thank her beloved parents. Mr. Eko Budiarto, S.Pd. and Mrs. Wahyuningsih, S.Pd. for the motivation, support and encouragement that have been given so far so that the researcher can complete this thesis. I also thank my brother and sister for the support given.

Furthermore, the researcher would like to thank the principal and teachers at one of the junior high schools located in Purwodadi, Central Java as the place where the research was carried out, because without permission and guidance, this research could not have been carried out. Thank you to the junior high school students who were willing to become participants in this research so that they could help researchers in the research process.

Lastly, the researcher would like to thank friends for their motivation and support to the researcher so that the researcher could complete this thesis.
