STATEMENT OF AUTHENCITY

I hereby declare that the internship report as my final project is unique and has never been submitted to obtain a bachelor's degree at the University of Muhammadiyah or any other University.

Unless a clear written reference is included in the internship report as a final project by mentioning the name and including a list of literature, ideas, and interview results in my final project internship report.

I made this statement truthfully, and if in the future irregularities are found, I am willing to accept academic sanctions and be processed according to the policies of the University of Muhammadiyah Yogyakarta.

Yogyakarta, 4 April 2024

Alifia Amin Ghoniyya

PREFACE

By saying Alhamdulillah, Praise and Gratitude for the presence of Allah SWT, for the abundance of mercy, and His grace so that the author can complete the research as this final project. This research is a final project in the form of an Internship Report in order to meet the requirements to obtain a Bachelor's degree at the University of Muhammadiyah Yogyakarta International Relations study program with the title "Synergistic Development of port Infrastructure in Indonesia: Analysis of Collaborative Strategies Between PT Samudera Pelabuhan Indonesia and PSA Singapore".

In the implementation of completing this final project, the author had the opportunity to intern at PT Samudera Pelabuhan Indonesia and take company issues for the author to make as an internship final project report. In this internship opportunity, the author gets new things that are useful for the author in the future. The author would like to thank the International Relations Study Program for providing opportunities for its students to intern and also PT Samudera Indonesia for providing opportunities for author to be able to intern in one of its business units, PT Samudera Pelabuhan Indonesia in the Commercial field.

In completing this final assignment, the author would like to express his deepest gratitude to the parties who have helped complete this research. The author would like to express his thanks to the internship supervisor and also the thesis supervisor Mr. Arie Kusuma Paksi, S.IP., M.A., Ph.D. The author would also like to express his thanks to all parties who have helped during the study completion process, including:

1. To the author's parents, Mr. Amin Budi Santoso and Mrs. Amin Nurita Fajar Astuti who have always been the author encouragement as the strongest backing, who never stop giving love, prayers, and motivation with infinite sincerity to the author.
2. To author families who always provide prayers and support for the smooth running of the author in taking studies.
3. To the author friends, Mutiara Hendrayanti, Difa, Lasta, Nely, Najmy, Amalia, Zhafira, and Rania who always support the author during college and also the writing period of this final report.

4. To all colleagues from PT Samudera Pelabuhan Indonesia who have provided internship opportunities for author to conduct final project research.
