DECLARATION

I hereby declare that my thesis is an original thesis and has never been submitted for a master's academic degree, either at Muhammadiyah University or other universities.

In this thesis there is no work, ideas and income of other people, unless the references are clearly written in the thesis with names included and a bibliography is included.

Apart from that, my thesis is strengthened by evidence that the similarity check with the Turnitin system is no more than 20 percent.

I make this statement truly and if in the future any discrepancy is found with this statement, then I am willing to accept academic sanctions and be processed in accordance with the provisions in force at Muhammadiyah University of Yogyakarta.
