STATEMENT OF AUTHENCITY

STATEMENT OF AUTHENCITY

I hereby declare that the internship repost as my final project is unique and has never been submitted to obtain a bachelor's degree at the Universitas Muhammadiyah Yogyakarta or any other University.

Unless a clear written reference is included in the internship report as final project by mentioning the name and including a list of literature, ideas, and interview results in my final project internship report.

Apart from that, my final project is also strengthened by proof of check similarity with the Turnitin system which is no more than 20 percent.

I made this statement truthfully, and if in the future irregularities are found, I am willing to accept academic sanctions and be processed according to the policies of the Universitas Muhammadiyah Yogyakarta.

PREFACE

With humility and gratitude, the author presents this internship report as part of the completion of the author's undergraduate studies in the Department of International Relations at the University of Muhammadiyah Yogyakarta. This report reflects the results of research and analysis conducted by the author during his internship at PetroChina International Jabung Ltd in the period from November 13, 2023 to January 12, 2024.

This report is prepared to provide a comprehensive overview of the topic of my internship report entitled "The Contribution of Multinational Company In Supporting The Economy In Indonesia: A Case Study Of Petrochina International Jabung Ltd In Indonesia". During the internship, the author had the opportunity to delve into this topic in depth, apply the theoretical knowledge that the author gained in college, and gain a lot of valuable experience and new knowledge that greatly supports the author's self-development, both professionally and personally and the author can develop practical skills in the industrial context of PetroChina International Jabung Ltd. Furthermore, the author's gratitude must be conveyed because without them this internship report may only be wishful thinking.

1. The author's deepest gratitude to Mrs. Dr. Ratih Herningtyas, S.IP., M.A, the author's supervisor who is extraordinarily inspiring and perfectionist. Thank you for all the guidance, advice and encouragement that you have never stopped. With meticulousness and perfectionism have provided very meaningful guidance, so that the author can go through the proposal seminar and the preparation properly and with minimal revisions. Without her direction, the author could not have achieved optimal results.
2. Thank you to the author's parents, father and mother who always provide moral and material support without stopping. Thank you for the prayers, love, and sacrifices that have been given since the author started studying until now. Your support is the main foundation of all the achievements that have been achieved by the author.
3. Thank you to the author's two sisters, namely Dea Nabila Zulkia who is pursuing her Doctor degree and the writer's twin Delvita Dwi Sherlin who is pursuing her Psychology degree. Thank you for all the help of prayer, laughter, and togetherness that have given the writer additional strength to complete this thesis.

4. Thank you to the author's comrades-in-arms, especially to Videll Ratri, Adelia Kansha, Zalfa Zahirah, Siti Hajar, and Rifky Ardia who became friends to discuss, share ideas, hunt for culinary in search of funny and viral places while in Jogja. And thank you also to other writer friends who are not all mentioned here because they will not fit.
5. Thank you very much to Mrs. Kamisah as the manager in the commercial department of PetroChina International Jabung Ltd who has given the opportunity for the author to do an internship and conduct research to complete the final project in lectures. Thank you for the trust and support provided and the valuable opportunity that greatly enriched the author's experience and insights.
6. Thank you to Mr. Lucky P. Putra, Mr. Deri Januardi, and Mr. Marcus as mentors during the writer's internship at PetroChina. Thank you for the guidance, knowledge, and time that has been given. Many new knowledge that the author was previously unfamiliar with has become very familiar thanks to the direction and explanation from Mr. Lucky, Mr. Deri, and Mr. Marcus. This valuable experience has given the author a deeper understanding of the oil and gas industry.
7. Thank you to all colleagues in the Commercial Department Division who have warmly received the writer and provided a lot of help during the internship. Thank you to Mrs. Keryn for the help of her LPG data, Mrs. Shanaz for the advice and internship assignment, Mrs. Lauren for checking the internship report and last quotes that the author will always remember, Mrs. Kristina for her explanation to start investing from now on, Mrs. Ica who likes to share cool stories and experiences, Mrs. Sara who has invited me around Jakarta, and Mr. Hafiz who always gives a lot of food. Your support and advice are very meaningful to the author in completing this research.
8. Thank you to Mr. Adrian Wibisono as the head of the Jakarta CSR Department, and Mr. Lasno as the head of the East Tanjung Jabung CSR Department for providing PetroChina's CSR data to complement the author's research needs. The assistance you provided has enabled the authors to access in-depth and relevant information that greatly enriches the results of this research. Your support in the data collection process is very meaningful and makes an invaluable contribution to the completion of this thesis.

The author sincerely hopes that this internship report can offer valuable insights for readers who are interested in this field of research. It is the author's aspiration that the findings and

analyses presented here will not only enhance the understanding of the practical implications within this industry but also contribute positively to the gap between theoretical knowledge and real-world applications, providing a comprehensive perspective that can benefit both academic and professional audiences.
