Acknowledgement

I want to start by giving thanks to Allah SWT for all His endless blessings, wisdom and power so that I can complete this *skripsi*. This feat would not have been achieved without His grace. I deeply appreciate my parents, who have provided me with much inspiration throughout my academic career with their prayers, love, support, and unwavering encouragement. I dedicate my work to them because they have always been a source of strength for me. Their constant sacrifice and belief in me.

Apart from that, I would also like to express my deepest thanks to Miss Arifah Mardiningrum, S.Pd., M.A. As my *skripsi*'s supervisor, for all your help, patience and knowledge. Their wise counsel and unwavering encouragement were invaluable in helping shape and complete this research.

I also want to thank my best friend, high school friends, college friends, and KKN (community service) friends who have given me a lot of support during this process. This journey is much more enjoyable and possible because of their support, empathy, and friendship.

Finally, I would like to thank all parties who have helped complete this manuscript, both directly and indirectly. I really appreciate your support and motivation.
