## **Acknowledgment**

I want to start by sincerely thanking Allah SWT for all His unending blessings, wisdom, and power, allowing me to finish this skripsi. This accomplishment would not have been achieved without His grace. I am incredibly appreciative of my parents, who have inspired me throughout my academic career with their unwavering love, support, and encouragement. I dedicate my work to them since they have always been a source of strength for me—their sacrifices and undying belief in me.

Additionally, I want to sincerely thank to Endro Dwi Hatmanto, S.Pd., M.A., Ph.D as my skripsi supervisor, for all of her help, patience, and knowledge. Their sage advice and unwavering encouragement have been invaluable in helping to mold and complete this study. I also want to express my gratitude to my friends, who provided me with great support during this process. This journey has been lot more pleasurable and doable because of their support, empathy, and companionship.

Finally, I would like to express my gratitude to everyone who helped to complete this manuscript, whether directly or indirectly successfully. Your support and motivation have been immensely valued.

I'm grateful to everyone.
