Acknowledgement

There are no other words that I want to say other than thanksgiving for the presence of Allah SWT, who has bestowed grace, sustenance, barakah, and healthy blessings so that I can complete this *skripsi* well. Then, peace and salutations that are never missed are to be said to the Prophet Muhammad SAW because he has guided his believers to a brighter life. Furthermore, I would like to thank my *skripsi* supervisor as well as my academic supervisor, Miss Evi Puspitasari, S. Pd., M. Hum., because her patience, motivation, and advice in guiding me when working on this *skripsi* mean a lot to me, and may Allah bless her in every single way.

Thank you very much to my parents, whom I love very much, who will never stop loving and adoring their daughter. Besides that, the strands of prayers they chanted to the Almighty turned me into someone with unlimited strength and patience. Indeed, all their sacrifices are in totality so they can help their daughters complete their education well.

Next to my friends Hana, Arra, Muti, Wiwi, Dila, Nabila, Dwi, Isna, Rani, and other friends who cannot be mentioned one by one because, by knowing you, I don't feel alone during my college years. Then, for Nida, Indah, and Diyah, my friends, thank you for all the exciting memories that will never be repeated; I love you so much, girls! For Fibri, Dhea, and Annisa, my childhood friends, who always welcome me when I come home and listen to all my stories through the years, I miss you so much, guys.

Last but not least, I want to thank myself for believing in myself, doing all this hard work, having no days off, and never quitting. I am thankful for myself, who is still strong enough to endure until the end; thank you also for being more robust against laziness.

Sincerely,

Yuanita Ari Lintang Ramadhani
