## **Acknowledgement**

All praise and gratitude to Allah SWT, the Almighty, for the outpouring and grace given so that the author can compile a thesis entitled *The Use of Word Search Puzzle for Junior High School Students' Vocabulary Size: An Experimental Study*. There are no words that the author can express other than gratitude for the power of Allah SWT, who always gives health and patience and shows miracles so that the author can complete this study process well.

Remember the author's gratitude to both parents, who have worked hard to continue to support the author's goals. Thank you to Mrs. Riniatun, who is beautiful and has a soft heart like an angel, who never breaks her sincere prayers for the author. Thank you to the author's father, Luluk Daryanto, with his authority, for all his motivation and upbringing so that the author can go through all the processes to the current point. To the author's two younger siblings, Yaya and Fara, thank you for the enthusiasm.

As for completing the study and authoring this thesis, the author received a lot of help, such as teaching, guidance, and direction from various parties, both directly and indirectly. For that, the author would like to express his gratitude to Miss Eko Purwanti, S.Pd., M.Hum., Ph.D. as the dean of the Faculty of Language Education, Muhammadiyah University of Yogyakarta, to Miss Evi Puspitasari, S.Pd., M.Hum. as the author's supervisor who has taken the time amid his busy schedules. Miss Ep always provides criticism, suggestions, and direction in preparing the author's thesis. Remember Sir Andi Wirantaka, S.Pd., M.Hum. as the

examiner lecturer who constantly evaluates the author's study to describe this thesis clearly. Then to the lecturer service team Miss Sri Rejeki Murtiningsih, S.Pd., M.Ed., Ph.D., Miss Evi Puspitasari, S.Pd., M.Hum., and Miss Maryam Sorohiti, S.S., M.H.Sc. so that the author can create this thesis. Thank you for your valuable experience.

To the people closest to the author who continually strengthen and provide mutual love and support, the author would like to thank you for always accompanying in the process of the difficulties of this study. The author would like to thank Rinto, Shofia, Agis, Viho, Kaje, Rinda, Dena, El, Vania, Zain, Alfi, Nomy, Lintang, Wiwi, Hana, Ara, Aulan, Fina, Alwan, and Salsa.

Finally, thank you to Yuhana Maharani for going through all the processes. Thank you for getting back up and completing one of these responsibilities. No matter how desperate you are, keep getting up and keep persevering.

As an ordinary human being, the author realizes that the preparation of this thesis could be better due to the limited abilities and knowledge possessed by the author. Therefore, the author apologizes for mistakes and shortcomings in writing this study and accepts constructive criticism. And the author hopes that this study can be helpful for anyone who reads it.
