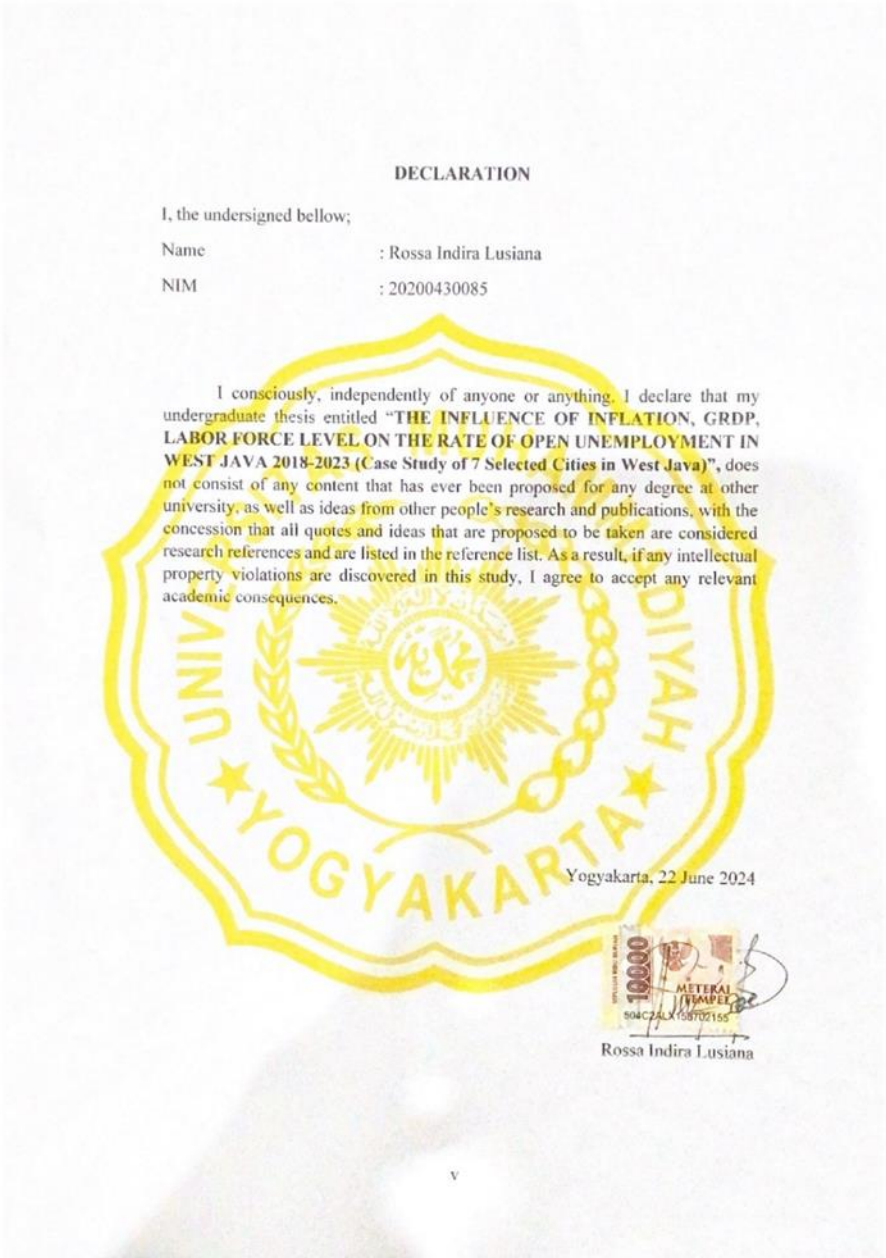
DECLARATION



DECLARATION

I, the undersigned bellow;

Name : Rossa Indira Lusiana

NIM : 20200430085

I consciously, independently of anyone or anything. I declare that my undergraduate thesis entitled "**THE INFLUENCE OF INFLATION, GRDP, LABOR FORCE LEVEL ON THE RATE OF OPEN UNEMPLOYMENT IN WEST JAVA 2018-2023 (Case Study of 7 Selected Cities in West Java)**", does not consist of any content that has ever been proposed for any degree at other university, as well as ideas from other people's research and publications, with the concession that all quotes and ideas that are proposed to be taken are considered research references and are listed in the reference list. As a result, if any intellectual property violations are discovered in this study, I agree to accept any relevant academic consequences.

Yogyakarta, 22 June 2024

DEDICATION

With to the gratitude Alhamdulillah, I dedicate this thesis to:

1. Allah SWT, who has given strength, patience, and ease during the process of preparing this thesis so that it could run smoothly.
2. My beloved parents, Suharti and Karsono Heru Susanto. Although they did not have the opportunity to pursue higher education, they have nurtured me with endless prayers, love, support, and motivation. It is a great honor to have parents like them.
3. My sister and brother, dr. Wiwin Widiyanti and Hendri Agung Harsono, S.E. Thank you for your support throughout my educational journey. Your encouragement, love, and care have been instrumental in completing this thesis.
4. My brother and sister-in-law, Deni Sunarya and Diyana Maliha Fauziyyah, S.Psi. Thank you for your support and motivation.
5. Muhammad Raihan Alfain Yonanda, who has accompanied me from the beginning to the end of my studies. Thank you for your motivation, support to always grow, and for being a constant source of comfort through the ups and downs of university life.
6. My friend Nandhita Eka Putri Restutiraka, thank you for your encouragement, support, and for listening to my grievances, helping me to complete this final task. I am grateful to Allah SWT for blessing me with such a great friend.
7. My supervisor, Prof. Dr. Imamudin Yuliadi, S.E., M.Si., and Ahmad Maaruf., S.E., M.Si. thank you for your guidance, feedback, and support throughout this thesis process, ensuring its successful completion.
8. Lastly, to myself Rossa Indira Lusiana, thank you for being responsible and dedicated to completing this thesis to the best of your abilities. Thank you for enduring and persevering through this journey, managing various external pressures, and never giving up regardless of the difficulties faced

in writing this thesis. This is an achievement to be proud of. Always be happy wherever you are. Let us celebrate ourselves, with all our strengths and weaknesses.

FOREWORD

All praise to Allah SWT for His blessings and mercy, and salutations to the Prophet Muhammad SAW, for allowing the author to complete this thesis titled "The Influence of Inflation, GRDP, and Labor Force Participation Rate on the Open Unemployment Rate in West Java from 2018-2023 (Case Study of Seven Selected Cities in West Java)" smoothly.

This thesis is prepared to fulfill one of the requirements for obtaining a bachelor's degree at the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta. The author sincerely hopes that this thesis will be beneficial to both the author and the readers and that it provides useful knowledge and information to all. The completion of this thesis would not have been possible without the support and guidance of many individuals, for which the author expresses heartfelt gratitude:

1. Allah SWT, for granting the health, happiness, and ease needed to complete this thesis.
2. Dr. Ir. Gunawan Budiyanto, M.P, Rector of Universitas Muhammadiyah Yogyakarta, for the educational facilities provided, which facilitated the pursuit of knowledge.
3. Prof. Rizal Yaya, S.E., M.Sc., Ph.D., Ak., CA., CRP., Dean of the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.
4. Prof. Endah Saptutyningsih, S.E., M.Si., Head of the Department of Economics, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.
5. Dr. Dimas Bagus Wiranatakusuma, S.E., M.Ec., Ph.D., CRM., CRP., Director of the International Program for Islamic Economics and Finance, for his continuous support and assistance during the learning process at IPIEF.
6. Prof. Dr. Imamudin Yuliadi, S.E., M.Si., the thesis supervisor, for his guidance, support, and time, making the completion of this thesis possible.
7. My beloved parents, Suharti and Karsono Heru Susanto. Though they did not have the opportunity to pursue higher education, they have educated me and provided endless prayers, love, support, and motivation. It is a great honor to have parents like them.
8. My brother and sister, thank you for your support throughout my educational journey. Your encouragement, love, and care have been instrumental in completing this thesis.
9. Muhammad Raihan Alfain Yonanda, who has accompanied me from the beginning to the end of my studies. Thank you for your motivation, support to always grow, and for being a constant source of comfort through the ups and downs of university life.

10. My friends Nandhita Eka Putri Restutiraka Regina Berliana, and Dian Rahmawati, thank you for your encouragement, support, and for listening to my grievances, helping me to complete this final task.
11. All my IPIEF 2020 friends, thank you for the memories over the past four years.
12. The economics faculty of Universitas Muhammadiyah Yogyakarta.
13. And all those who I cannot mention one by one, who have provided support, assistance, and encouragement throughout the process of completing this thesis.

The author realizes that this thesis is far from perfect. Any criticisms and suggestions for improvement are welcome. May this thesis be useful not only to the author but also to the public.

4. Labor Force *43*
B. Relationship Between Independent Variables and Dependent Variable *46*
1. Relationship Between Inflation and Open Unemployment Rate *46*
2. Relationship Between GRDP and Open Unemployment Rate *47*
3. Relationship Between Labor Force Participation Rate and Open Unemployment Rate *47*

C. Previous Reseach Results *48*
D. Hipotheses *53*
E. Research Model *55*
CHAPTER III *56*
RESEARCH METHOD *56*
A. Type of Research *56*
B. Type and Source of Data *56*
C. Data Sampling Technique *57*
D. Data Collection Technique *57*
E. Operational Definition of Variables *58*
1. Dependent Variable *59*
2. Independent Variables *59*
F. Data Analysis Techniques *61*
1. Descriptive Analysis *61*
2. Model Testing Techniques *61*
3. Classical Assumption Tests *63*
4. Hypothesis Testing *64*
CHAPTER IV *66*
GENEREAL VIEW *66*
A. General Overview of the Research Object *66*
1. Geographical Conditions of West Java Province *66*
2. General Overview of Research Variables *70*
CHAPTER V *76*
RESEARCH RESULTS AND DISCUSSION *76*
A. Data Analysis *76*
1. Descriptive Statistical Analysis *76*
B. Selection of Panel Data Testing Model *78*
1. Chow Test *78*
2. Hausman Test *79*
D. Best Regression Model *81*
C. Classic Assumption Tests *83*
1. Normality Test *83*

2. Heteroskedasticity Test *84*
3. Multicollinearity Test *85*
D. Hypothesis Testing *86*
1. T-Statistic Test *86*
2. Simultaneous Significance Test (F-Test) *88*
3. Coefficient of Determination Test (R^2 Test) *89*
E. Economic Interpretation *90*
1. Influence of Inflation on Open Unemployment Rate *90*
2. Influence of GRDP on Open Unemployment Rate *92*
3. Influence of Labor Force on Open Unemployment Rate *93*
CHAPTER VI *96*
CONCLUSION AND RECOMMENDATIONS *96*
