SHOW PAGE

With deep gratitude, the author has completed this thesis to:

1. Allah SWT, God of the universe, has given His grace and guidance as well as ease and smoothness in completing this thesis.
2. Prophet Muhammad SAW who can lead mankind to an age full of knowledge.
3. My parents, Dad Sutiman and my mother, Mrs. Yaya, who have sacrificed a lot, always love, support and pray for me to be the best. Thank you for being a parent with all your best efforts for me.
4. To my siblings MbK Nia, MbK Rini and Mas Putra whom I love, thank you for always supporting and praying for me and giving me encouragement so that I can finish this thesis well.
5. To Mrs. Dian Eka as my supervisor, thank you for her dedication and guidance during the thesis period.
6. To Ichitanmember friends (Nadia, Indira, Bagus) thank you for fighting together and supporting each other to complete this thesis and thank you for being part of the journey during your study period in the IGOV Class.
7. To my close friends Aryo, Salsa (butel), Riski Ketum and Isky, thank you for giving me encouragement, including sharing stories and accompanying me in good and bad times, as well as being a source of comfort for me during my college years.
8. I would like to thank you for all the learning process in the PK IMM FISIPOL 2022/2023 cadre field.

9. To the big family of the UMY Muhammadiyah FISIPOL Student Association, thank you for accommodating me to learn the process well, I got so many messages and impressions both materially and morally.
10. To my new friend, Haya, who will later receive a BA this year, I would like to say thank you for being part of my college experience during my internship. Hopefully this friendship will not only end at the internship but will continue to build friendships in the future. Keep up the enthusiasm for Haya Aqilah.
11. Next, I would like to thank LPP UMY for giving me the opportunity to do an internship at PT POS IND KCU Yogyakarta, I have gained so much experience and learning which is very useful for developing my potential in the world of work in the future. Thank you also to PT POS IND KCU Yogyakarta for accommodating me as an intern there, interning there was an experience that I never had when I was in college.
12. To my fellow interns from the SLPK division, Mrs. Rumti gang and POOC (UPL), I would like to thank you for all your help, learning and experience, it's a pleasure to meet you. Continue to encourage fellow interns from Class 21 to be enthusiastic about completing their final assignments.
13. To my Swag Girl high school friends (Dian, Wulan, Putri, Nur, Rahma and Warda) thank you for still choosing to remain my good friends from high school until now, thank you also for supporting and giving encouragement

during college even though we were hindered. with distance but it doesn't make it difficult for us to maintain friendship.

14. Then to myself, thank you for surviving this far, thank you for being able to complete this thesis well, thank you for always thinking positively, staying enthusiastic, don't compare your process with other people.
15. Thank you to Kost Hafisa 3 for providing a comfortable, clean space and protecting me from heat, rain and earthquakes. This boarding house has become a place for me to share good and bad stories.
16. Thank you to the city of Yogyakarta which provides a million memories in every corner, a small city but makes you feel warm and longing to come back to live in this city longer. This city is the city that made me a migrant to become a scholar and provides a love story of struggle, survival, patience and maturity.

FOREWORD

Assalamualaikum Warahmatullahi Wabarakatuh

We give praise and gratitude to Allah SWT, God of the universe, who is most merciful and most merciful for his blessings, mercy and grace, so that the author can complete this thesis with the title "**Communication of the Yogyakarta Special Region Provincial Government in Socializing the Piyungan TPA Relocation Policy**". Do not forget the prayers and greetings of the writer to Prophet Muhammad SAW as a role model for Muslims.

This thesis was prepared with the aim of being one of the requirements for obtaining a strata 1 degree as well as being responsible for the author's final assignment as a student of the Government Science study program, Faculty of Social and Political Sciences, Muhammadiyah University, Yogyakarta. The author realizes that during the preparation of this thesis there were still many shortcomings and errors, therefore the author accepts constructive criticism and suggestions in this thesis.

The author completed this thesis with full responsibility, hard work and prayer. Therefore, the author would like to express full and sincere thanks to:

1. Mrs. Dr, Dian Eka Rahmawati, S.IP., M.Si who always took the time to guide me patiently so that this thesis could be completed well.

2. All lecturers and teaching staff of the Government Science Study Program, Muhammadiyah University of Yogyakarta.
3. Sources who are willing and provide the information needed to prepare this thesis.
4. Extended family, friends and colleagues who always support and pray for me.

To all parties who the author cannot mention one by one, the author would like to express his deepest gratitude for all their help, support and participation. We apologize if there are shortcomings and errors made by the author during the process of compiling this thesis. May goodness, health and happiness always accompany all parties and groups from Allah SWT, Aamiin.

Wassalamu'alaikum Warahamatullahi Wabarakatuh
