PREFACE

By saying Alhamdulillah, Praise and Gratitude for the presence of Allah SWT, for the abundance of mercy, and His grace so that the author can complete the research as this final project. This research is a final project in order to meet the requirements to obtain a Bachelor's degree at the Universitas Muhammadiyah Yogyakarta International Relations study program with the title "European Union Environmental Diplomacy Strategy in Addressing Climate Change". In the course of completing this final project, I have received a great deal of assistance and support from various parties at the University. Therefore, I would like to extend my sincere gratitude to:

1. Prof. Dr. Ir. Gunawan Budiyanoto, M.P., IPM., ASEAN.Eng., Rector of Universitas Muhammadiyah Yogyakarta.
2. Dr. Sugito, S.IP., M.Si., Head of the International Relations Study Program.
3. Dra. Mutia Hariati Hussin, M.Si., my final project supervisor, has been very patient with my shortcomings during the writing of this final project, enabling me to complete it.
4. All the lecturers of the International Relations Study Program at Universitas Muhammadiyah Yogyakarta who have provided me with extensive knowledge and invaluable lessons during my time as a student in the International Relations Program at Universitas Muhammadiyah Yogyakarta.
5. All the administrative staff of the International Relations Study Program, including the Head of the Program's staff, the administrative staff of the International Relations department, and the International Relations Lab staff, who have provided information and facilitated all my administrative processes during my time as a student in the International Relations Program at Universitas Muhammadiyah Yogyakarta.
