## DECLARATION

Name : Anindya Alifia Putri

Student Number : 20200410301

I hereby declare that, apart from works or opinions that have been written or published by others and are specifically cited in writing as references in this manuscript and the bibliography, nothing in this thesis entitled "THE INFLUENCE OF THE DETERMINANTS OF FIRM VALUE USING CAPITAL STRUCTURE AS THE INTERVENING VARIABLE IN THE FOOD AND BEVERAGE MANUFACTURING INDUSTRY IN IDX 2018-2022" has ever been submitted for credit toward a graduate degree at a university or other educational institution. I am therefore prepared to incur the appropriate academic repercussions if this research turns up evidence of intellectual property breaches.

Yogyakarta, 7 June 2024

Anindya Alifia Putri

## **MOTTO**

“Dream big but make sure to achieve it, no storms will be able to stop you for becoming big.”

-Mom 2020

“Always pray and ask Allah to be with you through all journey”.

-Dad 2021

“Having a non-blood related family to support all your dreams, makes you win so much in life.”

*-Keluarga Suhu 2020-2023*

## PAGE OF PRESENTATION

Bismillahirrahmanirrahim. All praise and gratitude to the presence of Allah SWT who has given grace, guidance, and infinite love, so that with His permission the author can complete this thesis to completion. Sholawat and salaam are always poured out to the Prophet Muhammad SAW, along with his family, as well as his companions and later we are his ummah who Insha'Allah will get his intercession on the last day.

The completion of this thesis is inseparable from the guidance and support of various parties, therefore on this occasion the author dedicates this thesis to:

1. Both my parents, *Ayah* Dekon Witjaksono and *Bunda* Titin Khairani who have prayed and given all the support, advice, prayers that never stop so that the author can complete this research well.
2. To the Supervisor, Dr. Arni Surwanti, M.Si who has given advice and has also guided me with great patience.
3. All my Lecturers of the Management Study Program, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta, who have given me abundant and useful knowledge.
4. To my lifetime high school best friends Nur Aini Hastiti and Isa Varra Akrimna Hendarika, thank you for being patient with me and always accompanying me, no matter how far our distance is.
5. To my all-college best friends, *Keluarga Suhu*, *Halodek*, *Kontrakan Toleransi*, *Divisi Disipliner*, and many more, that always support me from the beginning of the process until the end.

## ACKNOWLEDGEMENT

In the name of Allah, the Most Compassionate and the Most Merciful. Praise be to Allah, we praise Him, ask for His help, and ask for His forgiveness. Praise be to Allah SWT who has given me strength, guidance, and love so that I can complete this undergraduate thesis. Shalawat and salam always poured out to the Prophet Muhammad SAW. The thesis entitled "The Influence of the Determinants of Firm Value using Capital Structure as the Intervening Variable in the Food and Beverage Manufacturing Industry in IDX 2018-2022" was prepared as one of the requirements to obtain a bachelor's degree in economics. Therefore, the author would like to thank all those who have helped and express their deepest appreciation to:

1. Allah SWT has given the author health and convenience through hardship and happiness up this moment.
2. Prof. Dr. Ir. Gunawan Budiyanto, M.P., IPM., as the rector of Universitas Muhammadiyah Yogyakarta, has consistently provided best program on campus so that students are able to experience valuable opportunities and to compete nationally and internationally.
3. Prof. Rizal Yaya, S.E., M.Sc., Ph.D., Ak., CA., CRP., as the dean of Faculty Economics and Business, Universitas Muhammadiyah Yogyakarta for the support and encouragement that allows students to experience being in an excellent faculty.

4. Dr. Rr. Sri Handari W, SE., M.Si., the head of the Management Department, Faculty Economics and Business, Universitas Muhammadiyah Yogyakarta, whose guidance has created a comfortable and structured learning environment.
5. Mr. Radyan Dananjoyo, S.E., MM., M.Sc., Ph.D., as the secretary of the International Program of Management and Business, who, throughout the author's education, has always provided support and assistance in gaining academic and non-academic skills and experiences.
6. Dr. Arni Surwanti, M.Si, as the thesis supervisor who was full of patience in guiding and providing input during the process of preparing this thesis.
7. For the family, especially both parents, for all the motivation, support, and prayers given during the author's studies at Universitas Muhammadiyah Yogyakarta.
8. To those have been there in both sorrow and joy, Galang and Fatur. Thanks for the assurance till the authors can finally complete the thesis writing.
9. Lastly, to Amelia Fauziah, Adilla Prastiwi, Faisal Hilmy, Faris Pradana, Nuha Adena Zahra, Maryam Mega Maryani, Yaomi Najahi, Zurahma Triastuti, Athira, Pratama Joya, Rasyad, and Said for the unforgettable memories in the past 3 years.
