MOTTO

“Everything is possible when you put your mind to it”

“Alhamdullillah I give all praise to Allah, faith keeps me going still this day”

DEDICATION

This thesis is dedicated to my father, Momodoulamin cham, and mother, Isatou Grant, who have unconditionally loved me and provided encouragement and support during the difficult process of my studies. This thesis is also dedicated to my brothers, friends, and family, all of whom I am extremely fortunate to have in my life.

Thank you.

PREFACE

First of all, we are grateful to God Almighty for giving him this chance and giving him the ability to move forward with success. I would want to express my gratitude to the following people for their unwavering support and bravery in helping me with my coursework and thesis writing. This study was carried out with continuous support in the form of materials, funds, advice, etc. I would like to sincerely thank the following individuals:

- My parents for providing me with the opportunity to attend school,
- The Scholarship for Distinguished International Students A scholarship from Universitas Muhammadiyah Yogyakarta has been awarded to me. I am able to obtain a bachelor's degree in the International Program of Management and Business at the Faculty of Management and Business at Universitas Muhammadiyah Yogyakarta.
- Special thanks to Prof. Rizal Yaya, S.E., M.Sc., PhD., Ak., CA CRP, the Dean of the Faculty of Economics and Business, for all of his encouragement and support since I started my studies at UMY.
- I am grateful to my supervisor, Punang Amari Puja, Sed., ST., M.IT, for her patient comments, direction, and encouragement during the thesis writing process. I am also grateful to my lecturer, Dr. Udin, MM, for her unwavering support, counsel, and encouragement throughout my academic career.
- Ismaila Gomez, for his unwavering support and direction during my studies; • The department of the International Program of Management and Business, for all of his assistance during my studies.
- All of my siblings, close friends, and classmates who helped me through all of the challenges I faced while conducting my research, both materially and morally
- Lastly, I would want to express my gratitude to my family in the Gambia for sustaining my mental and physical absence for the past four years, especially to my brothers Bienvenue, Victoire, and Aggee.
