STATEMENT OF AUTHENTICITY

I hereby declare that the thesis that I have written and compiled is an original thesis and has never previously been made to obtain a bachelor's degree, either at the Muhammadiyah University of Yogyakarta or at any other higher education institution.

In writing this thesis there are no works, ideas or opinions that have been written or published by other people, unless all references used in this thesis have been clearly written, with names mentioned and a bibliography included.

I make this statement sincerely and with full responsibility. If in the future a discrepancy is found with this statement, then I am willing to accept academic sanctions in accordance with the provisions in force at Muhammadiyah University of Yogyakarta

ACKNOWLEDGEMENT

Praise be to the presence of Allah Subhanahu Wa Ta'ala, Almighty God for all His blessings as well as health and opportunities to the author so that he can complete the final assignment of this thesis entitled "**The Resiliency Of Indonesian Economy Post Pandemic: An Analysis On Economic Policy 2021- 2023**" is the final assignment as a graduation requirement to obtain a bachelor's degree in the International Relations Study Program, Faculty of Social and Political Sciences, Muhammadiyah University of Yogyakarta.

The completion of this thesis cannot be separated from the guidance and support from various parties. Therefore, the author would like to thank Mr. Zain Maulana, Ph.D as the thesis supervisor who has provided guidance, direction and encouragement during the process of writing this thesis. The guidance and support he provided became the main foundation for the smooth running of this research. The author also would like to thank all parties who have provided support, assistance and motivation during the writing of this thesis. May all his efforts and prayers be rewarded doubly by Allah SWT.

Lastly, the author realizes that in writing this thesis there are still shortcomings or errors so that input and suggestions are needed for improvement in the future.

EXTENDED GRATITUDE

The success of writing this thesis would not have been realized and completed well without help, guidance and encouragement from various parties. On this occasion, with all humility and sincerity, the author would like to thank:

1. My lovely parents, Mama and Papap. Who have given me the opportunity to experience school in various countries in the world, and get two degrees at once. To my sister, my bro, and my nephew who are cute like his uncle ^_^.
2. Mygranma and Granpa, who have always known that I was studying abroad and really supported me in every way and now you are in heaven with Allah, I dedicate my bachelor's degree to you! You must have seen it, right?
3. All the lecturers and staff at the International Program of International Relations (IPIREL) who have provided very useful knowledge and facilitated me during my studies.
4. Anisa Tresnaasih, My girlfriend who accompanied me from the beginning of college until the end of my undergraduate studies, who always reminded me of my kindness and reminded me 'where is my thesis going?'. Thanks bb! | Don't forget to say thank you to my friend and Anisa friends to. (Azet along with Umi Azet and Lala) who always pray for the best and support the author in various aspects.
5. The "HOR" of my gang during their undergraduate studies, which was balanced between all their treatments. Can complete student exchange obligations together even though they are from different countries in one semester and become Jogja cafe explorers to complete assignments. (Wulan, Gadis, Okky, Adit, Adel, Shohib, Putri).
6. Lil Bro, buddy, and enemies. Jadwa. Thank you for always accompanying me on my assignment in the middle of the night to write this thesis from the time I prepared the proposal seminar (SEMPRO) in the dormitory via FaceTime, until I managed to be able to take part in the trial. I'm sorry I often disturb your rest, and sometimes it becomes an outlet for me to express my frustration. Sorry, I make a lot of mistakes, which sometimes requires me to be toxic. Believe me, I've tried my best to be a good bro. I always pray the best for you.
7. Divisi Jaringan dan Kerjasama, Komahi UMY. Thank you very much to Bang Nabil, and Kak Tia for accepting me in this JK Fam, and meeting lots of super cool people like you, lucky me! And to the Lebah fam, who always supported me from a distance regarding the process of writing this thesis, and became a motivator because you completed your thesis well. Thanks also to A Ari, Bang Orland, and Kak Andin who always provide information about this thesis, and support the author in various aspects. And thank you to all the staff Divisi Jaringan dan Kerjasama.
8. TPCC Taiwan. Fadel, Davin, Sabilla, Saddam, Irfan, Ramzy, Jourast, Ce Vina, Kak Taufik, Arab, Arya, Jeje, and Ella. Thank you for always supporting me, always appreciating the little things I achieve. I know you are all balanced in terms of academics and 18TC matters, I hope everything will work towards the common good and we can gather together again and make some of our wish lists come true. I know you guys are great! Much love!
9. DD's UMY. Thank you for one year of undergoing this dual degree program in Taiwan with a feeling of peace, kinship, sadness, joy and happiness. I hope that kinship in

Taiwan can continue to exist after we return to Indonesia. Finally guys! We can get it done! Bye 亞洲大學!

10. Ma Bro, Maheer. Thank you for always being a good listener, listening to the author whenever he is lonely and needs a friend to talk to, always accompanying the author when working on this thesis even though the hours between Indonesia-Saudi Arabia-Taiwan are very different, always supporting what the author is doing, helping in matters whatever, and always appreciate the little things.
