DEDICATION PAGE

Bismillahirrahmanirahim, all praise is due to Allah SWT, who has given all His gifts and blessings. Finally, the author can complete this thesis titled "Building Influencers' Credibility on Instagram Effects on Followers Attitudes Behavioral Responses." I dedicate this paper to those who are influential in my life journey, namely:

1. First and foremost, I would like to express my deepest gratitude to my parents. Your unwavering support, encouragement, and love have guided my academic journey. I would not have reached this milestone without your constant belief in me. Mom and Dad, thank you for your endless sacrifices and for giving me the opportunities to pursue my dreams. Your prayers, patience, and guidance have been the cornerstone of my success. You have always been my biggest cheerleader; I am eternally grateful. Thank you for always being there for me through the highs and the lows and for teaching me the values of perseverance and hard work. This accomplishment is as much yours as it is mine. My father, ALM, thank you for all his love, sacrifice, and struggle in raising me and making me who I am today. Even though he was not there to guide my journey during lectures. but I'm sure he's supports and sees my journey here. I hope you are proud of my achievements, I'll always miss you, papa. Al-Fatihah
2. Thank you to my sister and brother-in-law for always supporting me during the process. Thank you for giving me emotional strength and for providing me with the necessities to be able to complete my thesis
4. I express my deepest gratitude to Ibu Indah Fatmawati, S.E., M.Sc., my supervisor. Thank you for providing instructions and guidance throughout the completion of this thesis. I hope you will always be healthy and blessed.

PREFACE

Alhamdulillah, all praise to Allah the Almighty and the Most Merciful that because of His blessings, the author could finally finish this undergraduate thesis to attain a bachelor's degree in economics with the title "How Building Influencers' Credibility on Instagram Affects Followers' Attitudes and behavioral responses." This undergraduate thesis is structured to fulfill one of the requirements for obtaining a bachelor's degree at the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.

Finally, the authors get guidance from various parties and help and support to complete this thesis. Therefore, in this opportunity, the authors would like to say thanks as much as possible for:

1. Prof. Rizal Yaya, S.E., M.Sc., Ph.D., Ak., CA., CRP., as the Dean of the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta, who has provided guidance and facilities for all economics students.
2. Dr. Rr. Sri Handari W. S.E., M.Si., as the Head of the Management Study Program, Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.
3. Dr. Indah Fatmawati, S.E., M.Si., has been very patient and guided me patiently and thoroughly throughout the completion of this thesis.
4. Radyan Dananjoyo MM., M.Sc., Ph.D., is the head of the International Program of International Management and Business Studies, providing students with knowledge and guidance.
5. My friends Shofiyah Bela Latifah, Lusy Agustiana Suherman, Mochamad Arif Zainal, Fauzan Al-kautsar, Elina Laili Indah Puri, and Raihana Amalia people who are always behind the scenes provided support and assistance, ease, and enthusiasm in completing this final project (thesis).

6. All my friends who have accompanied me since the beginning of this education, who have always supported me until now

The author also acknowledges the limitations and shortcomings of their thesis, recognizing that there is always room for improvement. For this reason, the author expects any criticism or suggestions, whether in the form of feedback or constructive criticism. The author hopes that this research can be helpful for others, and they are open to any insights that can enhance its value and impact.
