A true warrior fights not because he hates what is in front of him,
but because he loves what is behind him

~ Kratos ~

Know that there are two types of patience.

One is more important than the other. Patience in times of disaster is good.
What is better than that is to be patient and refrain from what Allah has forbidden.

~ Umar bin Khattab ~

Indeed, Allah criticizes the weak, therefore rise up! And if you lose in a matter then say,
'Hasbiyallah wa ni'mal wakil (Allah is sufficient for me and He is the best place to surrender to).

~ HR Abu Dawud ~

It's not only victory that makes a man, but defeat... joy and sorrow alike

There's no shame in Backing Down! There's no shame in Crying!

So long as you Overcome It!
