EXTENDED GRATITUDE

This undergraduate thesis would not have been possible without the unwavering support of those who have been significant to me from the very beginning, throughout the journey, and up to the completion of my degree. I am deeply grateful to have them in my life. While words may fall short in expressing my heartfelt thanks, I would like to extend my deepest gratitude and dedicated this undergraduate thesis to those whom I want to personally and sincerely thank:

1. My family; my parents who have always been loving me and supporting my every single step and for the endless prayers they have send to me. My parents are my biggest strength to finish my undergraduate thesis. My siblings, who always believe in me and giving me the biggest support physically and financially. My big family, my cousins, who feels like my friends and keep being there for me in Jogja and help me.
2. Mrs. Ratih Herningtyas, S.IP., M.A, I would like to say thank you for her guidance and patience in assisting and advising me throughout the whole process in completing my undergraduate thesis.
3. My friends, Belajar group, especially Alifia Arsy, for always been there for me through thick and thin, keep supporting me, sending warm words that always keep me positive during the process of finishing my undergraduate thesis. I also would say thank you for their presence whenever I need them.
4. To those who have completed my journey during university, IPIRELians 2020, KKN 251, also Sun Moon University exchange group. Thank you for helping me through the process of our study in university and making it not so hard and much more enjoyable with you guys in it.
5. NCT Dream, thank you for always being my biggest source of joy whenever I'm feeling down. Your songs accompanied me throughout my whole process of me writing my undergraduate thesis, and that gives me a lot of comfort.
6. To myself, thank you for never giving up and keep pushing it through the limit. Another chapter of your life has just started when you closed your university life with finishing this undergraduate thesis, and even when you don't know what will the future holds for you, I hope you will always keep being brave and strong to face everything that life will gives you.
