## Acknowledgment

First, I wish to convey my appreciation to Allah SWT. He has significantly assisted me in finalising this thesis, safeguarding my well-being and comfort during the endeavour. Nonetheless, I could not have finalised this thesis punctually without his consent. I express my thanks to the Prophet Muhammad (SAW), who has directed me and his followers to persistently pursue a path illuminated by enlightenment. I express my gratitude for the acceptance of my thesis titled "Teacher's Strategies in Teaching English Grammar in a Private Senior High School in Yogyakarta," which fulfils the final requirement for my graduation from the English Education Department at Universitas Muhammadiyah Yogyakarta. I hold immense regard for my supervisor, Ms. Maryam Sorohiti, S.S., M.H.Sc. I appreciate your expertise, generosity, encouragement, and forbearance in the completion of this thesis.

I proudly dedicate this thesis to my cherished family, including my parents, M. Amin and the late Zaitun, as well as my two elder sisters, Rita Futryia and Winda Pramita. My cousin, Anggi Saumaya Dila, has continually provided support and encouragement, fostered my gratitude and self-pride while accompanied me throughout my college study. I have reached this point without their steadfast support and prayers. Without their steadfast support, I would not have progressed this far or navigated the challenging period following my mother's demise. I possess it for her. I possess a family that consistently supports me in every circumstance, enabling me to confront all occurrences in my life, particularly during the rehabilitation phase. I would have observed the minute I attained my undergraduate degree, but Allah SWT had alternative intentions. I wish to express my gratitude to my mother for her unwavering support, despite my ability to observe from a distance. I could not have advanced to this stage without their support and trust. I am profoundly grateful for their substantial influence in my life.

I would want to express my gratitude to my pals, Fadhila, Rindi, Sindi, and Vella. They offered me encouragement, attended to my grievances during my mother's illness and recuperation, and addressed my issues when I was grappling with my thesis. Their solidarity and optimism offered me considerable solace, facilitating my navigation through a difficult phase and allowing me to persist with my thesis work. Sharing my life with you for four years is invaluable. I cherish you all as deeply as I do my own family.

I would like to express my profound appreciation and gratitude to the professors and personnel of the English Education Department for their excellent assistance during the thesis process. Acquiring knowledge is undoubtedly advantageous for a more hopeful future. I wish wonderful health and happiness to all those whose names I cannot specify, who have shared valuable experiences and considerable skills with me.
