This skripsi would not have existed without your thoughtful interventions and insights.

With love, I dedicate this undergraduate skripsi to my beloved parents, Ahmad Efendi and Arbasia Dewi NH, who always send love, support, and prayers, and remind me to be grateful in every situation. When the world closed its doors on me, they both opened their arms to me. When people closed their ears to me, they both opened their hearts to me. When I lost faith in myself, they were there to believe in me. They never stopped giving prayers, love, encouragement,

spirit, and affection, as well as sacrifices that cannot be replaced by anything or anyone. Thank you for always being there for me and for supporting my dreams. Your sacrifice and hard work have shaped me into who I am today, and I'm thankful for all you have done. I want to do my best for every trust given. I will grow to be the best I can be.

I would like to express my heartfelt gratitude to the lecturers and staff of the English Language Education Department at UMY for their knowledge and guidance throughout my academic journey. Your support has enriched my learning experience.
