DECLARATION

Name: Fadiyah Nur Azizah Syafitri

Student Number: 20200430216

I hereby declare that this undergraduate thesis entitled: **"THE ANALYSIS OF NAZHIR PERFORMANCE: CASE STUDY OF NAZHIR MUAHAMMADIYAH CENTRAL JAVA"** does not contain any content or work that has been previously submitted to obtain a bachelor's degree at any university. To the best of my knowledge, there are no other works or opinions that have been written or published by others, except for those that are properly refrenced in the manuscript and listed in the bibliography. If any violation of intellectual right is later found in this manuscript, I agree to accept any relevant academic consequences.

DEDICATION

Alhamdulillahi Rabbil 'Alamin

All praise and gratitude to Allah SWT who has bestowed grace, ease, smoothness, and His gifts so that this thesis can be completed correctly and well. This thesis is the result of hard work, support, and guidance from various parties who sincerely provide their support and motivation. Therefore, as an expression of deep gratitude, I dedicate this thesis to:

1. My beloved parents, Ayah Mustofa and Mama Syahri Mega Sari, who always provide support, advice, and endless prayers to this beautiful and pious daughter, so that the author can complete this final project.
2. To my two beloved sisters, Qanita and Ghina, who also always support and pray for this beautiful sister.
3. To my big family, both from Kalimantan and Palembang, who also always support and pray for the author even from a far distance.
4. To Mrs. Dr. Yuli Utami, S.Ag., M.Ec and Mr. Dr. Ayif Fathurrahman, S.E., S.E.I., M.Si. as the author's final project supervisors who have guided and always provided their time to provide guidance, direction, advice, feedback, enthusiasm to complete this final project, as well as related knowledge outside of this final project.
5. To all lecturers of Universitas Muhammadiyah Yogyakarta, especially lecturers from the Economics study program, who have provided valuable

knowledge during the author's study at Universitas Muhammadiyah Yogyakarta.

6. To my almamater, which has been a place to study, grow, and develop myself during my university years.
7. To the people who always support my progress, especially A'yun and Yolan, thank you for being with me, encouraging each other, praying for each other, being a place to grieve, and accompanying me in this progress.
8. To those who cannot be mentioned one by one who have supported and accompanied the author, both directly and indirectly.
9. To myself, as an appreciation for my hard work and undying spirit in the face of difficulties. Thank you for persevering to not give up, learn from every mistake, and keep going even though many things feel hard.

ACKNOWLEDGEMENT

All praise be to Allah SWT, who has granted ease, grace, and mercy in the writing of this thesis entitled "The Analysis of Nazhir Performance: Case Study of Nazhir Muhammadiyah Central Java." This thesis is prepared to fulfill the requirements for obtaining a bachelor's degree from the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta. The completion of this thesis would not have been possible without the guidance and support of various parties; therefore, on this occasion, the author would like to extend their deepest gratitude to:

1. Prof. Dr. Ir. Gunawan Budiyanto, M.P., IPM., as Rector of Universitas Muhammadiyah Yogyakarta.
2. Prof. Rizal Yaya, S.E., M.Sc., Ph.D., Ak., CA., CRP., as Dean of the Faculty of Economics and Business, Universitas Muhammadiyah Yogyakarta.
3. Prof. Dr. Endah Saptutyningsih, S.E., M.Si., as Head of Economics Study Program, Universitas Muhammadiyah Yogyakarta.
4. Dr. Yuli Utami, S.Ag., M.Ec and Dr. Ayif Fathurrahman, S.E., M.Si., as supervisor who has patiently guided, encouraged, and motivated during the process of completing this thesis.
5. My parents, younger siblings, and the entire extended family who have always provided encouragement, attention, and prayers for the author's smooth progress and success in completing this study.
6. All parties who participated in assisting and were involved in the process of completing this thesis.

As a final word, the author realizes that this thesis still has many shortcoming. Therefore, the criticism, suggestions, and further research development are needed for the depth of written works on this topic.
