STATEMENT AUTHENTICITY

I hereby declare that the undergraduate thesis entitled "Driving Factors Behind European Union Lawsuit to Indonesia's Nickel Export Policy Through World Trade Organization on 2021" is my original work and has not been submitted for any degree or other purposes at Universitas Muhammadiyah Yogyakarta or in other education institutions.

In this undergraduate thesis, I certify that the intellectual content of this thesis is the product of my own work and my own opinion, as all the assistance received in preparing this thesis and its sources have been acknowledged. The contents are indeed the work and the idea of my own and I did not plagiarize in ways inconsistent with the prevailing ethic in the scientific community.

I wrote this statement honestly and if in the future there are discrepancies that have been found with this statement, I would accept any academic sanctions and be processed by the applicable provisions at Universitas Muhammadiyah Yogyakarta.

Yogyakarta, 14 August 2024

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke, positioned to the right of the QR code and banknote watermark.

ACKNOWLEDGMENTS

Assalamualaikum Warahmatullahi Wabarakaatuh

Praise be to Allah, Lord of the worlds. "Read by mentioning the name of your Lord who created; He created man from a clot of blood. Read, and your Lord is the Most Glorious, who teaches people with the pen. He teaches people what they do not know." I embarked on this journey of writing my undergraduate thesis. I am grateful for the opportunity to contribute and strive towards achieving Allah's blessings. With the spirit of preaching lillahi ta'ala, hopefully, this endeavour will bring about a positive impact and benefit for the universe.

The author is grateful to the presence of Allah SWT who has given grace, guidance, power, effort, and ability so that the author can complete this thesis entitled "Driving Factors Behind European Union Lawsuit to Indonesia's Nickel Export Policy Through World Trade Organization in 2021". This undergraduate thesis for the International Relations Department, Faculty of Social and Political Science, Universitas Muhammadiyah Yogyakarta, is the result of the writer's learning process throughout the whole academic years at university. Hopefully, the writer could get the best future

EXTEND GRATITUDE

Alhamdulillah, all praises are due to Allah SWT. The writers still rated health, strength, and the possibility to be able to finish the thesis, thanks to God the Most Gracious and Most Merciful who has given His Mercy and Grace.

Along greetings and prayers are extended to the Prophet Muhammad PBUH. He was a man of deep faith and conviction. Muhammad PBUH was always certain that he was following the truth. He never wavered in his faith, even when he was faced with persecution and hardship. He was also a great teacher, and he shared his knowledge of Islam with others so that they could also benefit from it.

This undergraduate thesis is being presented to fulfil one of the criteria for the undergraduate degree (S1) in the department of international relations at the faculty of social and political science at Universitas Muhammadiyah Yogyakarta. I once more give praise and gratitude to Allah SWT for enabling me to complete this undergraduate thesis through His favors. I would like to thank the following individuals for their assistance and motivation in getting this undergraduate thesis finished and presented:

1. My family, Mama, Ayah, Nisa, Adek Ela, Uti, Om Alex, Tante Frisca
2. Mr Prof. Dr. Ir. Gunawan Budiyanto, M.P., ASEAN,Eng, as Chancellor of the Universitas Muhammadiyah Yogyakarta.
3. Mr. Dr. Takdir Ali Mukti, S.Sos., M.Si, as Dean of the Faculty of Social and Political Relations, Universitas Muhammadiyah Yogyakarta.
4. Mr. Dr. Sugito, as head of the International Relations Department, Universitas Muhammadiyah Yogyakarta.
5. Mr. Zain Maulana, Ph.D as head of the international class of the International Relations Department at Universitas Muhammadiyah Yogyakarta.
6. Prof. Dr. Tulus Warsito, M.Si. as my undergraduate thesis supervisor who always guide me in the process of completing this thesis.
7. All UMY lecturers and extended UMY families who have been involved and worked together in this academic and non-academic journey, who cannot be mentioned one by one.
8. Ajeng my childhood friend who have here for me in any conditions

9. Caca, Yasmine, Inara, Popy, Indah, and Ka Saarah my high school friendship who always cheer my day while I'm writing this thesis
10. Nely, Henny, and Wulan who have cheer my university live
11. Kak Sekar which is my senior but feels like my sister full give me a full support for the last one year
12. Kak Syafiq which is my senior but also guide me to write this thesis
13. Dr. Zain Maulana who give me one of the best experience in IPIREL Office

May all the prayers, support, assistance, and everything that is priceless receive endless blessings from Allah SWT and always receive the shade and grace of Allah SWT, aamiinn. Apart from that, the author also expresses my deepest apologies if the author has made many mistakes, both in speech and behavior, since the author first set foot at Universitas Muhammadiyah Yogyakarta until the completion of the author's studies. This is purely from the author as an ordinary human being who never escapes mistakes. As for the authors, goodness comes solely from Allah SWT because all perfection belongs to Him. The author realizes that this thesis still has many shortcomings.

The author is very grateful for all the support and prayers. Finally, the author hopes that what is presented in this thesis can help develop science. All of this will be worth worshiping in His sight, Aamiin.
