DEDICATION PAGE

The Author Dedicates This Thesis to the Author's Parents, Dago Elos Residents,
and All Oppressed People Who Are Fighting for Their Rights.

Ayahanda Juli and *Ibunda* Wika Wiyartika who tirelessly brought the writer to this
point with all their hard work, sweat, affection, and non-stop prayer.

The people of Dago Elos relentlessly resist oppression; your long struggle will be
recorded and immortalized in history as one of the people's movements that
succeeded in resisting oppression in defending the right to living space.

All the oppressed people who to this day are still carrying out a tireless and
relentless struggle, the resistance of the solid people's movement is the answer to
those who are oppressing.

PREFACE

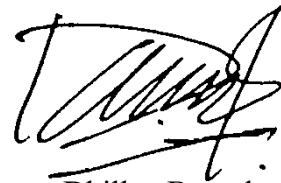

Alhamdulillahirobbilalamin, all praise and gratitude to Allah SWT, who has given His grace and guidance so that the author can complete the thesis with the title "The Method of People's Struggle in the Dago Melawan Movement." Hopefully, in writing and completing this thesis, the author will also be blessed by Allah SWT so that it can be useful for those who experience things similar to what is discussed in this thesis. The completion of this thesis is also inseparable from related parties; therefore, the author would like to express his infinite gratitude to the following:

1. My parents, Mr. Juli and Mrs. Wika, have tried hard to provide all the moral, prayer, and material support in raising and educating me to become a better human being to fulfill my obligations. May every step you take be a blessing and benefit many people.
2. Dear David Efendi, S.IP., M.A., my Supervisor, has devoted time and energy in guiding the process of writing this thesis, from the proposal to the thesis hearing. *Cak* David, a lecturer and activist, is one of the organic intellectuals who motivates me. May all your struggles be blessed by Allah. I am proud to be your student.
3. The residents of Dago Elos whose struggle became my inspiration in writing this thesis. All the blood, tears, and sweat of the residents of Dago Elos became the foundation for the victory of the people's struggle as well as the grave for the death of oppression in Dago Elos Village. You have dared to fight with all your respect and the best of your ability. Your struggle has become an inspiration for other people's movements. Long Live The People's Struggle!
4. Solidaritas untuk Orang Pinggiran dan Perjuangan Kampus (SOPINK) has become a home and a forum for me in carrying out the praxis of the

movement. Keep Populist, Critical, and Advanced! Let's be Friend Let's Fight!

5. A girl from a mixture of Javanese and Betawi tribes, Indira Tsaqifa Ratnoputeri. Thank you for being present at the end of college period and patiently accompanying me to this point. *In this beautiful land, bloom your eternal love; in this rotten country, we smile bitterly.* See you in the land of windmills, and we lie down on the green grass in a five-dimensional imagination.
6. Front Perjuangan Pemuda Indonesia (FPPI) is where I am confronted with the reality of the lives of marginal people who are vulnerable to being oppressed and marginalized for the sake of the rulers, political elites, and oligarchs. Stay Loyal to the Mass Line!
