STATEMENT OF AUTHENTICITY

The undersigned below:

Name : Muthya Zahra
Student Number : 20200530295
Concentration : Public Relation
Study Program/Major : Communication Science/Public Relations Undergraduate
Faculty : Social and Political Science
Thesis Title : Strategy Social Media Instagram and Tiktok of PT Astra Honda Motor to Build Engagement with Customer in 2022

I declare that this undergraduate thesis is my own work and I have stated all sources quoted and referred to correctly. The contents are indeed the work and the idea of my own, and I did not plagiarize in ways inconsistent with the prevailing ethic in the scientific community. I wrote this statement honestly, and if in the future there are any irregularities with this statement, I will accept any academic sanctions and be processed according to the applicable provisions at Universitas Muhammadiyah Yogyakarta.

DEDICATION PAGE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Through this acknowledgment page, I would like to express my gratitude and infinite thanks to all who have provided support and convenience in completing this *skripsi*. All forms of gratitude and thanks are dedicated to:

1. First, I thank Allah Subhana Wa Ta'ala for all the grace, guidance, strength, and ease in completing this *skripsi*.
2. Secondly, I dedicate it to the most precious gift I have, which is the strongest motivation for me to continue to struggle until now. Ayah, Mama, and My pious younger siblings. Thank you for giving the meaning of love and sincere attention to me so that I can complete my studies well.
3. To the figures who always support the author in joy and sorrow, Stevany Betty Tamboto and Elma Aulia Rizky. Figures who tirelessly become good listeners, motivate, accompany, and encourage from the beginning of this thesis until it is finished. Thank you for spending so much time with me. Thank you, because the author could not have reached this point without all of you.
4. To Alya Adisty, Yasmin Ayu Raditya, and Farsya Khairunnisa Salsabila as great women who the author knows and is never tired of struggling to achieve her goals, as well as close friends but 538 km away, thank you for encouraging the author to move forward and complete this thesis. Thank you for being a good listener for the author. Hopefully, you can realize all the goals you dream of to pursue a “good ending” in your life. I Love You Guys, See You.

Finally, I would like to thank all those who have participated in the process of preparing this thesis. Thank you from the bottom of my heart because without any of your contributions, it is impossible for me to be able to complete this *skripsi*. May Allah SWT bless you all.

PREFACE

Assalamu'alaikum warohmatullahi wabarakatuh.

Praise and gratitude to the grace of Allah SWT for all His blessings and grace that enabled the author to complete this thesis well. This thesis was prepared as a requirement to obtain a bachelor's degree in communication science at the Strata One (S1) education level from the Department of Communication Science, Universitas Muhammadiyah Yogyakarta. Although in the process of preparation, there were many obstacles, challenges, and difficulties that the author faced, with gratitude, everything was successfully overcome so that this *skripsi* could be completed.

Thus, the author would like to express many appreciations to all those who have provided assistance and support to the author during the research process and the writing of this thesis. On this occasion, the author would like to thank:

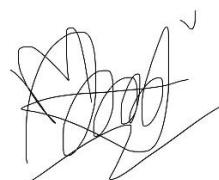

1. **Mr. Zulfahmi and Mrs. Deswanti**, as the author's parents who always provide support in completing this thesis to completion.
2. **The Dean of the Faculty of Social and Political Sciences UMY**, who has helped expedite the administrative process of obtaining research letters.
3. **Mr. Dr. Fajar Junaedi, S.Sos, M.Si**, as the Head of the Communication Studies Program, Faculty of Social and Political Sciences, Universitas Muhammadiyah Yogyakarta.
4. **Mr. Aswad Ishak, S.IP, M.Si**, as the Supervisor who always provides support and direction with patience during the process of compiling this *skripsi*.
5. **All Lecturers of the UMY Communication Science Study Program**, for the knowledge, guidance, and dedication that has been given to all students during the education process so that they become successful people in their studies.

6. **PT Astra Honda Motor**, for the opportunity given and the permission given to conduct this thesis research.
7. **Mr. Donny Aprinandi** and **Mrs. Nicken Ayu Wulandari**, as supervisors who have supported and helped the author a lot since the author did his internship until compiling and completing the research.
8. **All Staff of the HRD department and Learning Center division of PT Astra Honda Motor**, who have helped in the research and data collection process.
9. All research informants, who have given their time to the author so as to facilitate the data collection process.
10. The author is grateful for the assistance of numerous individuals and organizations whose names cannot be listed individually, but who have greatly contributed to the successful completion of the thesis.

Hopefully, this scientific writing can provide benefits to friends and students writing their thesis in the future. The author greatly appreciates all constructive criticism and suggestions given. This is based on the author's awareness of the shortcomings in this thesis which is very far from perfect because perfection belongs only to Allah SWT.

Wassalamu 'alaikum warohmatullahi wabarakatuh.
