MOTTO

Don't educate your children to be rich.
Educate them to be happy, so they know the value of things,
not the price.
- Anonim -

This Undergraduate Thesis I dedicate to
the one and only my beloved family,
Papa, Mama, My Sister and My Brother.

ACKNOWLEDGEMENT

Bismillahirrahmanirrahim...

In the name of Allah, the most Merciful, the most Gracious. All praise is due to Allah; we praise Him, seek His help, and ask for His forgiveness. I am thankful to Allah, who supplied me with the courage, the guidance, and the love to complete this thesis. Also, Peace and salutation always to the Prophet Muhammad peace be upon him altogether with his accompanies.

This undergraduate thesis entitled **"COMPARISON OF POTENTIAL TO BANKCRUPTY ISLAMIC COMMERCIAL BANKS IN INDONESIA USING ALTMAN Z SCORE MODEL"** has been made as partial ixulfilment for the requirement to achieve the bachelor degree of management. So that, I would like to thank all people who have contributed and special appreciation to the parties. In particularly they are:

1. My mother Titin Agustina Siregar and my father Tito Mutaqin, mama who is always there, always listens to all my problems. Thank you for praying and struggling until I get to this point. For my father who always help me if i have question about this thesis, papa who always give me support to do my best even though tired but still going on. I present all of this to you.
2. My sister Chairina Ulfa, Dwi Puspa and My brother Muhammad Azhar. Thank you for all of your prayers for me, its mean a lot for me to get this point. My success is also your success too.
3. Iqbal Dean Shaputra, a man who is always there when happy or sad. Men who always accompany me whenever and wherever. Thank you because you always support me, always pray for me. Stay a patient man.
4. Dr. Firman Pribadi, M.Si as my thesis supervisor who has been guiding and teaching me about many things.
5. My second family when I lived in Jogja, Yulita Nurdiastuti, Agneta Prihastuti, Wan Febri Hidayati Utami, Lulu Kamalinda, Fisa Maharani. Thank you for being my second home so far, always helping me and one of the reasons I love Yogyakarta.

6. My another sisters, Meilan Indrajati & Yulianshita Dewi, thank you for your support, its mean a lot for me to do this thesis.
7. All of IMABS 2017 members thank you for always helping me during the lecture until I was at this point, you guys were still there. Miss you guys!
8. All of IMABS lecturers who have provided a lot of knowledge.
9. My beloved Almamater Muhammadiyah University of Yogyakarta is a place where I can complete my studies and get so much new knowledge and experience. In closing, in this paper there are still many errors and shortcomings, therefore it takes criticism and suggestions that build for better results again.
