PREFACE

All grace towards Allah SWT that He has given ease, mercy, and blessing in the writing of this undergraduate thesis titled: **“ANALYSIS OF LEADING SECTORS AND POTENTIAL SECTORS IN INCREASING REGIONAL ECONOMIC GROWTH (Case Study of Tulang Bawang Regency 2013-2017)”**. This undergraduate thesis is made to meet one of requirements in achieving the Bachelor’s Degree in Faculty of Economics and Business of Yogyakarta Muhammadiyah University. The author took out this topic with hope it can give opinions and suggestions for organization in decision making and give ideas for studies in future.

In the finalization of this thesis, there are helps and guidance from many parties, so that in this chance the author is sending gratitude to:

1. The Dean of Faculty of Economics and Business of Universitas Muhammadiyah Yogyakarta that has given guidance and ease during the finalization of the writing.
2. Ma’am Endah Saptutyningsih and Ma’am Dyah Setyawati Dewanti in which with full of patience have guided me and sent so much helps in the process of writing.
3. My mother and my father, along with my brothers who have always sent me prayer, materials, and vibes endlessly.

4. All parties that have already sent support, helps, love in the process of this thesis.

The author realizes there are many imperfections in this thesis. Therefore, critics and suggestions are indeed needed for the development of researchers in the future.
