ACKNOWLEDGEMENT

All Praise be to Allah SWT who has provided convenience, gifts and grace during my time of writing this undergraduate thesis entitled **“ANALYSIS OF FACTORS AFFECTING EXPORT OF INDONESIAN CRUDE PALM OIL (PERIOD OF JANUARY 2014 – DECEMBER 2019)”**

This undergraduate thesis is submitted as partial fulfillment to achieve bachelor degree of economics at Universitas Muhammadiyah Yogyakarta. The author takes this topic in the hope that it can provide suggestions on research object related to international trade.

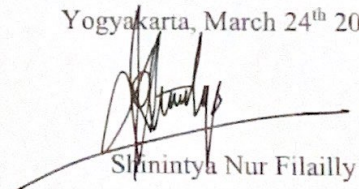

The completion of this thesis is inseparable from the guidance and support from many individuals, therefore on this occasion the author would like to express gratitude to each of everyone below:

1. Dean of the Faculty of Economics and Business, Yogyakarta Muhammadiyah University who provides guidance and advice as long as the author completes his studies.
2. Dr. Imamudin Yuliadi, S.E., M.Sc as the first supervisor. Thank you for guidance, understanding, and patience, as well as giving me positive encouragement to complete this thesis. It is such an honor for me to have him as my first supervisor.
3. Mrs. Dyah Titis Kusuma Wardani, S.E., MDEC as the second supervisor who has guided and directed the researcher in completing the writing of this thesis.
4. Dr. Dimas Bagus Wiranata Kusuma, S.E, M.Ec, CRM, CIB as Director of the International Program for Islam and Finance (IPIEF) for all the support, advice, and guidance during my studies in campus or outside campus.
5. My late grand-mother. Though her body is no longer on my side, but her spirit and loving-and-supportive soul is always feel close to me.
6. My parents & my silly brother who always being supportive and give the best prayers for me.

7. My dear sis, Resty Tamara Utami B.Ec., whom I always bothered with any problems I have in life. Thank you for all those days and nights we spent talking and discussing over so many things. Your support helps me a lot to go through hard days.
8. My dear best-friends; Alisya, Della, Meilan, Sobe, and Ayin. Thank you for being there since the first day of my uni life. Though we don't always around each other so often, but i couldn't imagine how would it be without having you guys around me. All the laughters y'all made are truly what keep me sane.
9. My Babon Fams; Sobay, Muna, and Raemar. You guys didn't really do something (lol, I'm kidding) but thank you for always being there on my good & bad days in the past 14 years. Let's count for more years, okay?
10. My National Cheng Kung University family, Uni Ita Squad. Thank you for all memories you all drew on my life during those half-a-year life in Tainan. I really got the best squad.
11. IPIEF 2016. It has been a pleasure for me to have classmates like each and everyone in IPIEF class. To each of you, thank you for the help and cooperation during class. Hope we will be able to reunite again someday.
12. To this one particular person. Thank you for all the good things you have done for me. Thank you for being there on every lowest points in my life, supporting and encouraging me to raise and get back to live as I should. People come and go, but the memory stays.
13. Last but not least, to my dearest cat – Cia Gelato. Thank you for being almost 24/7 around me. Thank you for being such a really nice cat, you really help me to boost my mood everytime I feel like I wanna give up with this undergraduate thesis. Though she doesn't understand what I said, but her presence matters <8

As an addition, to everyone out there which the author could not mention one by one, thank you for your supports and helps during my time of writing this undergraduate thesis. You know who you are.
