Acknowledgement

First of all, I would like to express my gratitude to Allah S.W.T, the Most Gracious and Merciful, for the love, spirit, guidance, and strength that has been given to me so that I can complete this thesis, as well as our Prophet Muhammad SAW. SAW is my inspiration. I also want to thank my funny supervisor, Sir. Endro Dwi Hatmanto, S.Pd., M.A., Ph.D. take the time and energy to supervise the process of my *skripsi*. Thank you for all the input, energy, and time you spent guiding me during the process of my *skripsi*. Thanks also to Mrs. Mariska Intan Sari, M.A. and Mrs. Maryam Sorohiti, M.H.Sc. as the examiner of my *skripsi*. Thank you for giving a lot of feedback to improve my *skripsi*. I also want to express my gratitude to all of the ELED lecturers, staff, and friends who have provided me with numerous lessons and impressions over my time in college.

Next, I want to express my deep gratitude and express my heartfelt gratitude to my family. I'd want to dedicate this *skripsi* to both my mother and father. Thank you for your prayers, love, and support. And, to my younger sisters, I may not be the type of person who easily expresses affection for others, including both of you. I may like to tease and scold you, but believe me, your sister loves you.

Rizka, my dearest bestie. Thank you for always being there for me whenever I needed you. Life is too difficult for me to face alone. Thank you for supporting me and sharing all of life's joys and tragedies with me. Also, thank you to Haryati, Renata,

Felan, Salsa, Tatak, Syilva, Maul, Azhar, and ISLAH member for brightening up my college life. I wish you all the best in the future, and I will remember the laughs, tears, experiences, and lessons we experienced together. Last but not least, thank you for bringing so much joy to so many people with all of your lovely work, BTS, my world's number one boyband. Thank you for all of your encouragement and motivation to live a better life. Hopefully, we will be able to meet in person at your show; I am looking forward to that day. To all of people whom I appreciate their presence in my life which I cannot mention one by one, thank you all.

Lastly, thank you very much for myself because you were doing great so far. To those times you have thought you could not make it, you are finally here, healthy and alive. I know these days things get rough. I know you feel suffocated over things that happened lately but please stop invalidate your own feelings. If it hurts you, then it is. If it makes you happy, then it is totally fine to cherish the moment because you deserve it. Bad days and bad things happen sometimes, but it will pass. Thank you for holding on, keep doing that.

Best regards,

Nabila Himmatul 'Ula Arifin
