Acknowledgement

Praise and gratitude for the presence of Allah SWT who has given the blessing of health and also the opportunity, so that I can complete this *skripsi* with the title The Correlation between Students' Grammar Mastery and Their Creative Writing Performance as a requirement for a bachelor's degree. Blessing and greetings may be poured out to the prophet Muhammad SAW, his family and students who have conveyed the truth to mankind. Thank you to Mr. Andi, who has guided me patiently and painstakingly in the preparation of this *skripsi*, so that I can complete this *skripsi* well.

I dedicated this *skripsi* to my father, Husni, and my mother, Respati, who always support me under any circumstances. Thank you to my parents, who never tire of giving me good advice. I am very grateful to have my little sister, Intan, who is always loyal to be my storytelling friend. Special thanks to my friend in the English Language Education Department, especially Class F, which has colored my college life while I was studying at University of Muhammadiyah Yogyakarta. To my friends (Aprilia, Ayu, Dinda, Asti, Diana and Rafida) I thank you for always motivating me to do my best. My sincere thanks to Resimen Mahasiswa Satuan 017 UMY family, especially Yudha XLI, who has helped me become a strong and unyielding person and gave me a lot of valuable experience. Last but not least, I want to appreciate myself because finally I could finish this *skripsi* and finish my bachelor degree with many experiences.
