Celica, my dearest bestie. Thank you for always being there for me whenever I needed you. Life is too difficult for me to face alone. Thank you for supporting me and sharing all of life's joys and tragedies with me. Also, thank you to Oky Fazar, Annisa, Yasmin, Rika S, Aisyah Ganesh, Rohmi Juharoh, and Nor Laili member for brightening up my college life. I wish you all the best in the future, and I will remember

the laughs, tears, experiences, and lessons we experienced together. Thank you for all of your encouragement and motivation to live a better life. Hopefully, we will be able to meet in person at your show; I am looking forward to that day. To all of people whom I appreciate their presence in my life which I cannot mention one by one, thank you all.

Lastly, thank you very much for myself because you were doing great so far. To those times you have thought you could not make it, you are finally here, healthy and alive. I know these day things get rough. I know you feel suffocated over things that happened lately but please stop invalidate your own feelings. If it hurts you, then it is. If it makes you happy, then it is totally fine to cherish the moment because you deserve it. Bad days and bad things happen sometimes, but it will pass. Thank you for holding on, keep doing that.

Best regards,
