## **Acknowledgment**

In the name of Allah, the most gracious the most merciful. I would like to thank Allah SWT for the presence of plenty of mercy and his grace, so that the author can complete the thesis which entitled “An Analysis on Students’ Attitude towards the Implementation of Cooperative Learning Method in the Covid-19 Pandemic and Students’ Critical Thinking”. This is to meet one of the conditions and completed studies in order to obtain a Bachelor of Education Degree Course at One of the English Education Department Universitas Muhammadiyah Yogyakarta.

The author realized that this thesis could not have been completed without the support, assistance, guidance, and advice from various parties during completion of this thesis. In this opportunity, the author would like to express her sincere thanks to:

1. My beloved parents Mr. Sumadi and Mrs. Sri Mulyani who never stopped praying, supporting, and advising me to finish this thesis.
2. Dr. Suryanto, as the thesis supervisor who has patiently spent his time, energy, and thoughts in providing guidance, direction, and advice given to me so that this thesis can be completed properly and correctly.
3. The kind-hearted thesis examiner, Ms. Indah Puspawati, M.A, and Mr. Endro Dwi Hatmanto, Ph.D., who has provided feedback and evaluation of this thesis.

4. All the lecturers who have been provided invaluable knowledge during my education at the English Education Department Universitas Muhammadiyah Yogyakarta.
5. All of ELED's 2017 class of friends who have struggled together all this time to finish writing the thesis.
6. All my friends who have provided support, advice, advice and laughter to me in writing this thesis. Because without them I couldn't complete this thesis.
7. The respondents who have taken the time and information to fill out the questionnaire in completing the writing of this thesis.
8. All parties who cannot be mentioned one by one, who sincerely provide prayers and motivation to me so that I can complete this thesis.
9. Last but not least, I would like to thank myself, who has been struggling with laziness to finish writing this thesis. To myself, you are great!!!

The author realized that in writing this thesis's there are still many shortcomings and mistakes, therefore all constructive criticism and suggestions will improve the writing of this thesis and be useful for the author and the readers.
