ACKNOWLEDGEMENT

Bismillahirrahmanirrahim

In the name of Allah, Praise the deepest presence of God Almighty. Who has given him grace, taufiq, and guidance as well as health so that I can complete this thesis. Peace and salutation always to the Prophet Muhammad peace be upon him. Who have guided us to this scientific and Islamic era.

This undergraduated thesis entitled **“The Effect Analysis of Halal Labeling, Brand Image, and Price toward Buying Interest on Processed Food Products in Small and Medium Enterprises in Yogyakarta”** has been made as partial fulfillment for the requirement to achive the bachelor degree of economics. Then, I would like to thank all people who have contributed and special appreciation to the parties. They are:

1. Thanks to myself who have struggled through all the obstacles, so this thesis can be completed. This thesis is specially dedicated to me.
2. My father Sulistiyono and my mother Niken Ayu Supartik, who always pray for and support me in any way until I can get to this point. Thank you so much for the power of your unceasing prayer.
3. My younger brother Setio Aji Prayitno and my younger sister Tiara Oktavia Ramadhani, thank you for entertaining and encouraging me.
4. Mr. Ahmad Ma'ruf, S.E., M.Si and Mrs. Sri Ani Puji Setiawati, S.S., M.A as my thesis supervisor. Thank you very much for the guidance and knowledge that has been given. May Allah SWT always give blessings on your life.
5. M. Gilang Cahyo Nugroho, who always accompanied me when I was sad and happy whenever and wherever, always helped me when I was having difficulties, always patient to hear my complaints. Thank you so much for your prayers, time, and patience for always being with me.
6. My bestie Rayi Andita Putri and M. Yusril, best friend while in Jogja, passing through ups and downs together. Thank you for always entertaining each other all this time, love u and I will miss you guys!
7. All my IPIEF 2017 friends, thank you for your support and helping when I was in a difficult time, thank you for the memories and life lessons that have been created during college. I wish all of us success in the future like what we expect.
8. My senior in college, Sister Meilan Indrajati and other seniors, who have sincerely helped me when there are difficulties in working on my thesis. May blessings always be with you.
9. Ventica Cardea, Azizah Mulyadi, Nurul Annisa' and M. Isroq, my best friend since high school until now, thank you for your support and prayers. Hopefully what we aspire to can come true.
10. Jaenab, who always accompanies and always helps in times of crisis. Despite so many trials and obstacles, we can get through them all. I will

never forget our memories that are full of ups and downs so far. Thank you so much Jaenab, my beloved motorcycle.

11. All of IPIEF lecturers, who has provided and taught a lot of knowledge during college.
12. My University, Universitas Muhammadiyah Yogyakarta, which is a place to gain a lot of knowledge and experience. So that I can achieve my goals one by one.

In closing, in this paper there are still many mistakes and weaknesses, therefore it takes criticism and suggestions that build for better results again.
