MOTTO

“The sun and the rain don’t mind what kind of flowers you have been.”

**Almighty, thanks for today, yesterday, and tomorrow,
for my family, my joy, and my sorrow.
Anytime to grow through what I go through,
my efforts are dedicated to praise You.**

ACKNOWLEDGEMENT

All praise to the God Almighty Allah SWT the most gracious and the most merciful for His guidance and blessing during this research conducted. Peace and salutation always be to the Prophet Muhammad peace be upon him altogether with his companions.

After the establishment of this study on “Valuing Caries Prevention: A Contingent Valuation Study for Parents of Students At Muhammadiyah Elementary Schools,” the author gives special appreciation to the parties in supporting the accomplishment of this study. In particular they are:

1. The respectable Mrs. Endah Saptutyningsih as my first supervisor and Mrs. Diah Setyawati Dewantias my second supervisor, thank you for the guidance in order to help me improve the thesis. Thank you for the continuous supports and all the small things matter.
2. The respectable Mrs. Lilies Setiartiti and Mr. Ahmad Ma’ruf as the thesis examiners. Thank you for suggesting substantial improvements for my research.
3. The respectable Mr. Dimas Bagus Wiranatakusuma as the director of IPIEF, thank you for all helps, suggestions, and recommendations to develop my academic experiences.
4. All lecturers, staffs, and students who have been the part of IPIEF family. Without exception, friends and teachers in Asia University. Thank you for every little to special things that make me be more courageous and well-set.
5. The most precious human being: my mother Sri Sunarti, my father (alm.) Yamin Yasin, and my elder sister Latifah Tiyyara Putri. Because of your timeless loves, supports, and prayers, I am able to climb every up-and-downhill in this life. Though I am undeserving now, I will work harder to become a person you can be proud of.
6. My comrades whose journey with me from the east to the west: Uta and Nunung. Also all my dear bros and sis in IPIEF 2016 who have spent thousand days together (can’t mention one by one but not gonna lie you all are never less special). Many thanks for "adopting" me kind-heartedly, lol. I fancy you, fam!
7. My housemates for a month: team KKN 174 Salamsari. Thank you for sharing great days and nights, and enjoying our duties together. High five!
8. My “daily dose of vitamins” team: Jae, Bob, Brian, Drum, and Piri. Thank you for upbeat my mood, recharging energy, inspiring me to do better and never lose hope. See you!
