Acknowledgement

Alhamdulillah rabil 'alamin, the researcher expresses her highest gratitude to Allah *subhanahu wa ta'ala* for His blessing, love, opportunity, health, and mercy to complete this undergraduate thesis. This undergraduate thesis entitled “**Teachers’ Strategies to Teach Low Motivated Student in a Senior High School in Banjar**” is submitted as the final requirement in accomplishing undergraduate degree at English Language Education Department, Faculty of Language Education Universitas Muhammadiyah Yogyakarta.

In arranging this undergraduate thesis, a lot of people have got involved to give motivation, advice, and support for the researcher. In this valuable chance, the researcher intends to express her gratitude and appreciation to all of them. Firstly, the deepest appreciation goes to my beloved parents, my mother for the endless love, pray, and support, and my father for the phone call every week in order to remind me to keep going and never giving up.

In addition, this thesis would not have been possible without the help, support and patience of my skripsi advisor, Ms. Sri Rejeki Murtiningsih, Ph.D. for her supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the past few years. The researcher delivers her greatest appreciation to Ms. Evi Puspitasari, M.Hum and Ms. Arifah Mardiningrum, M.A as my examiners in order to give their advice, supervision, and crucial contribution in the improvement of this undergraduate thesis result.

Additionally, I would like to express the deepest appreciation to:

1. My beloved parents Ayah, Ibu also my beloved sister Alsyani Hasna Zalfa who never stops asking about the completion of my study. Their text messages keep me annoyed, but magically those give me reason to be focus to finish my study as soon as possible. Therefore, I am really grateful to have you two in my life.
2. I am very grateful to have some close friends in Yogyakarta who always support me. The first appreciation goes to Syabella, Ririn, Wiza, Wulan, Falichatus, Icha Dian, and Reda. They always become good listeners for every problem I faced especially when I had to revise this undergraduate thesis and re-start over and over again. Your opinions never stop surprising me and also allowing me to see my problem from different point of views.
3. I am also very grateful to have some close friends in Banjar who always support me since 2010 until now, and those are Anggita, Dw, Revi, Hesty, Melati, Ozkabia and Widi. They are my good listeners who always exist whenever I need. Hopefully, our planning after graduation, we can have vacation together.

Finally, I would like to thank everybody who have involved to the successful realization of this undergraduate thesis. This undergraduate thesis is far from perfect,

but it is expected that it will be useful not only for the researcher, but also for the readers. For this reason, constructive thoughtful suggestion and critics are welcome.
